CHAIR: Good evening.

My name is Terry Fletcher, and I am the West Virginia Department of Environmental Protection's Public Information Officer.

Welcome to the public hearing on Proposed Procedural Rule 38 C.S.R. 3. The purpose for this public hearing is to give you the opportunity to share your comments or information about the Proposed Rule with the DEP. Tonight's hearing is being recorded by a court reporter so that the comments you share can be taken into consideration and entered into the public record for this Proposed Rule.

A decision will not be made this evening. A transcript will be reviewed and considered by the staff. Interested parties will be notified once a decision is made. The time period for this Proposed Rule will end at the conclusion of this public hearing.

Because we are here to hear your comments and get them on record, this is not a forum to engage the DEP in open discussion or debate about the Proposed Rule. After those who wish to speak have done so we will close the hearing and the record. If you have questions you

1 would like about the Proposed Rule, staff will be  
2 available after the hearing. However, we cannot answer  
3 them during the hearing portion.

4           To ensure that we successfully achieve the  
5 purpose of this hearing, we ask that everyone be  
6 respectful and considerate of each other by refraining  
7 from using foul language, from name calling and  
8 interrupting others while they're speaking. And we also  
9 request that all comments be kept on the topic of this  
10 Proposed Rule so that our time together is used  
11 efficiently.

12           I will call you up in the order we have  
13 your name on the sign-in sheets. Please state your name,  
14 where you live and if you are with any groups or  
15 organizations. If you have written comments that you  
16 would like to submit in addition to your spoken comments,  
17 please hand them to me after you speak or at the  
18 conclusion of the hearing.

19           We will begin the hearing with our first  
20 speaker. Seeing that no one has signed up to speak, this  
21 will now conclude the public hearing on Proposed  
22 Procedural Rule 38 C.S.R. 3. To properly receive your  
23 agency response, please make sure your email address is  
24 complete on the sign-up sheet. The comment period is now

1 closed.

2 Thank you very much for your interest in  
3 taking the time to attend this hearing. Good night and  
4 drive home safe.
