

*Title 171
procedural Rule*

~~WEST VIRGINIA
CIVIL AIR PATROL EXPENSES
STATE AERONAUTICS COMMISSION~~

~~Chapter 29-2A~~

~~Series IIIA~~ *Series 3*

~~1964~~

**Subject: Matters relating to expenditure of state funds
for civil air patrol.**

Section 2 ~~Section 3-a.~~ **CIVIL AIR PATROL EXPENSES;
COMMISSION MAY EXPEND FUNDS PURSUANT
TO RULES.**

2.1 The commission, in addition to all other powers and functions authorized by law, is hereby authorized and empowered to expend state funds (1) for the purchase of civil air patrol aviation education training aid books, materials and equipment; (2) to defray maintenance, repair and replacement costs of civil air patrol aircraft; (3) to purchase and obtain supplies and equipment for the civil air patrol; and (4) to maintain the communications network for the civil air patrol.

2.2 No expenditure of state funds for any such purposes may be made unless the purchase order is first approved by the commission in accordance with commission's rules and regulations relating thereto. Only funds specifically appropriated by the Legislature for such purposes may be so expended by the commission and funds so appropriated shall be expended for no other purposes.

WEST VIRGINIA CIVIL AIR PATROL EXPENSES
STATE AERONAUTICS COMMISSION

Chapter 29-2A

Series IIIA

1964

Subject: Matters relating to expenditure of state funds for
civil air patrol

Section 3-a. CIVIL AIR PATROL EXPENSES; COMMISSION MAY EXPEND FUNDS
PURSUANT TO RULES.

The commission, in addition to all other powers and functions authorized by law, is hereby authorized and empowered to expend state funds (1) for the purchase of civil air patrol aviation education training aid books, materials and equipment; (2) to defray maintenance, repair and replacement costs of civil air patrol aircraft; (3) to purchase and obtain supplies and equipment for the civil air patrol; and (4) to maintain the communications network for the civil air patrol.

No expenditure of state funds for any such purposes may be made unless the purchase order is first approved by the commission in accordance with commission's rules and regulations relating thereto. Only funds specifically appropriated by the Legislature for such purposes may be so expended by the commission and funds so appropriated shall be expended for no other purposes.
