**West Virginia Secondary School Activities Commission
Proposed Changes in Rules and Regulations**

BACKGROUND

The majority of public and most private schools in West Virginia belong to the West Virginia Secondary School Activities Commission. Each year, the principals of member schools submit revisions to the rules and regulations. The submitted proposals are presented and voted upon at the annual Board of Control meeting. Any approved changes are then submitted to the West Virginia State Board of Education for its review and approval.

PURPOSE

These amendments are brought forth to keep the West Virginia Secondary School Activities Commission current and updated on changes, trends and issues in the band and athletic programs.

These proposals were distributed for public comment in May and June. The West Virginia Secondary School Activities Commission will present to the Board the comments received for its review at the June meeting.

The West Virginia Secondary School Activities Commission staff, Constitution and Bylaws Committee, and Board of Control respectfully request that the proposed rule changes to the West Virginia Secondary School Activities Commission Rules and Regulations Handbook be approved.

WVSSAC
Rules and Regulations Handbook
2023-2024 Proposed Rule Changes Passed by BOC

Proposal 1 (Vote: Yes-125 No-2)

Amend §127-1-5-1. Administration (Pg.5) as follows:

5.1. The administration of the WVSSAC shall be vested in the secondary school principal and who shall constitute a Board of Control. The Board of Control shall determine the regulation of interscholastic athletic and band activities among the schools represented by the members of the Commission and shall have charge of all Commission funds, and in order to expedite the regulations of activities shall delegate and assign to the Board of Directors hereinafter constituted, and the Executive Director, hereinafter constitute, and working through the Board of Directors, authority to interpret and enforce these regulations. The Board of Control shall delegate and assign to the Board of Trustees, hereinafter constitute, the power and authority to hold title to and manage the property owned by the Commission. These regulations of the Commission shall be the articles, rules, explanations, and interpretations which have been voted upon and approved by a majority vote of the members of the Board of Control present and voting at the annual meeting of the Commission. Fifty members shall constitute a quorum for the transaction of all business at the annual meeting and approval is by a majority vote of the members of the Board of Control present and voting at the annual meeting of the Commission. If the result of a vote by the Board of Controls has a margin of five or less after the vote is counted, a second confirmation vote will be taken.

Rationale:

In situations of a close vote to margin of 5 or less, it is good practice to have a confirmation vote to verify the results and to rule out any counting errors.

Shawn Wheeler, Principal
Buffalo High School**

Proposal 2 (Vote: Yes-129 No-0)

Amend §127-1-13.4. Review Board (Pg. 13) as follows:

13.4. Proceedings for review shall be instituted by filing a petition, ~~and five copies of same,~~ with the State Superintendent within 14 days after the date upon which such party received notice of the final order or decision of the Board of Directors. A copy of the petition shall be served upon the WVSSAC or its Executive Director and all other parties of record by registered or certified mail. The petition shall state whether the appeal is taken on questions of law or questions of fact, or both. No appeal bond shall be required to effect any such appeal.

Rationale:

Five copies are not needed.

Constitution & Bylaws Committee

Proposal 3 (Vote: Yes-116 No-17)

Amend §127-2-6. Scholarship (Pg. 20) as follows:

6.1. A student is required to be enrolled in the equivalent of four content area courses toward graduation. If the student is a senior, they are required to only be enrolled in the class(es) necessary for graduation.

Rationale:

West Virginia currently requires 22 credits for graduation. If schools operate on a block schedule or an eight period day, students could have 32 credits at the end of their high school career. If students take dual credit courses, they potentially may only need one credit their senior year to count for graduation.

Home school students currently only need one (virtual) course from the home school each year to be eligible to play, and these students will not be in the building at all except for practice and play. It seems that we are holding our traditional brick and mortar students to a higher standard than the home school students. This leads to issues that involve overfilled classes, as well as students enrolled in classes they do not like nor strive for achievement which then results in lower GPAs.

Nicholas County High School**

Proposal 4 (Vote: Yes-124 No-5)

Amend §127-2-7.1.f.4. Residence-Transfer (Pg. 22) as follows:

7.1.f.4 However, a student who has started participation in a sport, which would include practice or contest, that they were participating in at a ~~WVSSAC member school~~, the former school may not participate in that sport for that sport season at the WVSSAC member school to which they transferred. ~~So long as that transfer was within one contiguous county of their former member school.~~

Rationale:

To clarify and consider the geographical location of every school and student residence, as well as provide fairness across the board for student-athletes with these circumstances.

**Kenny Demoss, Principal
Parkersburg High School
Alicia Riggleman, Principal
Musselman High School**

Proposal 6 (Vote: Yes-65 No-68 Proposal FAILED)

Amend §127-3-2.10 Duties and Responsibilities of the Principal (Pg. 41) as follows:

2.10. The principal, assistant principal, and athletic director of each member school shall be admitted to any WVSSAC sanctioned event. Vocational principals ~~and~~ assistant principals, and member-school feeder elementary principals and assistant principals shall also be admitted. This admittance will be by presentation of the WVSSAC Courtesy Card and a photo identification.

Rationale:

To allow feeder elementary principals and assistant principals from member schools admittance to all WVSSAC sanctioned events at no cost. A county level administrator has asked that it be proposed with the rationale that some elementary principals like to attend events in support of former students.

**Mike Kelley, Principal
Herbert Hoover High School**

Proposal 6 (Vote: Yes-76 No-56)

Amend §127-3-7 Out of Season Coaching. (Pg. 43) as follows:

~~7.2. School organized out of season practice or related activities shall be permitted with principal approval during three consecutive weeks established by each school and approved by each county board of education or by the governing body of a private/parochial school. These three consecutive weeks may begin on or after Monday of Week 49, and must conclude by Friday of Week 4 of the NFHS Standardized Calendar; provided, there will be no out of season practice or related activities during the week of July 4th as determined by the NFHS Standardized Calendar (refer to handbook appendix). Participation must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Participation by students during these weeks does not meet §127.2.13.4.~~

7.2.a. With principal approval, each sport program may use ~~twelve~~ 32 “flex-days” from Monday of Week 49 through Friday of Week 48 of the next academic year. A flex-day is a day, outside the regular season and ~~outside the three week practice window~~, when a coach may have sport-specific contact with student athletes. Flex-days shall not be used during the first week of each high or middle school sport season. Use of any part of a day for an activity will count as a full day of activity.

These flex days shall be combined with all varsity and sub varsity sports by teams. (A flex day used by a sport, counts for all levels of that sport per school.) Participation must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Additionally, the (Sunday-Saturday) of July 4th and two weeks surrounding Christmas Day and New Year’s Day (Sunday-Saturday) shall also be eliminated from flex day use.

Rationale:

Rule is designed to lessen the stresses on multisport athletes that are crammed into the 3-week window. Rule is designed to allow for scheduling of all sports to be spread out over the entire year.

(Current 3-week window is often not used by Spring sports teams and would be better served through Fall and Winter) Rule would fall more in line with what surrounding states have already initiated. (many are wide-open/year round) Rule would allow for the experts (coaches) to perform tasks associated with that sport. Rule keeps the number of days similar (depending on which one passes), just spread out. Rule creates a more manageable situation for players, coaches, as well as availability of scheduling for facility limitations. Rule is still under the direction/guidance of the building principal and additional restriction could be put in place as needed.

**Alicia Riggleman, Principal
Musselman High School**

Proposal 7 (Vote: Yes-125 No-12)

Amend §127-3-7.7 Out of Season Coaching (Pg. 45) as follows:

7.7. Coaches may not promote, initiate, organize, supervise, or participate in out-of-season events involving students of the same sport as the grade level coaching assignment and preceding grade level except as specified in §§127-3-7.2, 127-3-7.2.a, and 127-3-7.3 until the student has aged out of the coach’s coaching assignment. Middle school coach may coach an 8th grade student in the same sport after the conclusion of the season. High school coach may coach an athlete once they have completed the senior season. The county board of education shall be authorized to approve a coach to organize and/or supervise a recreation program for students. However, this type assignment must be recreational in nature, include a variety of activities, and comprise no coaching or instruction of that same sport as the school coaching

assignment. In addition to the above, gymnasiums or facilities opened for recreational activities must use the following requirements:

Rationale:

A coach should be able to coach an athlete in travel once they finish their last season with the school team. (8th grade for middle school and 12th grade for high school) There is no ability to recruit players or any advantages for the coach because at this point they are finished with that athlete. It is hard to find coaches in some sports because travel pays more but I think this makes sense and gives us more flexibility.

Charleston Catholic High School

**Proposal 8 (Vote: Yes-117 No-12
Amend §127-3-10 Classification (Pg. 47) as follows:**

Please see below the revisions regarding the classification rule as per recommendations from the WVSSAC Competitive Balance Committee.

10.1. ~~Excluding boys and girls basketball, e~~ Each member high school shall be classified as either AAAA, AAA, AA, or A based on the enrollment figures in grades 9, 10, 11, and 12 total score given by the classification model that considers the factors of enrollment, location, and economics. The designation shall be done after at the end of the second school month of the odd numbered year preceding the classification. For an explanation of the classification model, and how scores are assigned, see Appendix 1.

10.2. ~~Excluding boys and girls basketball, e~~ Classification of member high schools shall be determined every four years on the even numbered years and will remain in effect for a four year period unless the school experiences a 20% change in enrollment using WVDE enrollment figures at the end of the second school month. Classification changes due to a 20% change in enrollment becomes effective next academic year.

10.4. ~~Excluding boys and girls basketball, t~~ The Board of Directors may structure the WVSSAC tournament series in each sport by classification (AAAA, AAA-AA-A). Each sport will be structured according to the level of interest and accommodation for tournament alignment. The WVSSAC will conduct a survey of the membership prior to any change of structure of any given sport.

10.5. ~~Excluding boys and girls basketball, i~~ If a consolidation of two or more member schools occurs during the classification period, the new member school will be reclassified based on the total score given by the classification model that considers the factors of enrollment, location, and economics. ~~combined enrollment of 9, 10, 11, and 12 in the consolidating schools.~~

10.6 ~~Each member high school shall be classified in boys and girls basketball as either AAAA, AAA, AA, or A based on a total score given by the classification model that considers the following factors: enrollment, location and economics. For an explanation of the classification model, and how scores are assigned, see Appendix 1.~~

10.7. ~~Classification of member high schools in boys and girls basketball shall be determined in the next regular reclassification year and will remain in effect for a two year period unless the school experiences a 20% change in enrollment using WVDE enrollment figures at the end of the second school month and qualifies to be moved according to the classification model. Classification changes due to a 20% change in enrollment and the classification model becomes effective next academic year.~~

~~10.8. A school may choose to compete in WVSSAC tournaments in one class above its classification in boys and girls basketball providing proper notification is made to the WVSSAC prior to April 1 of a new classification year. Approval of this option will be for a two year period.~~

~~10.9. In boys and girls basketball, the Board of Directors may structure the WVSSAC tournament series in each sport by classification (AAAA-AAA-AA-A). Each sport will be structured according to the level of interest and accommodation for tournament alignment. The WVSSAC will conduct a survey of the membership prior to any change of structure of any given sport.~~

~~10.10 If a consolidation of two or more member schools occurs during the two year period, the new member school will be reclassified in boys and girls basketball based on the classification applied to the newly classification model applied to the new consolidated school consolidated school.~~

10.11. 6 No member school shall, based on the classification, be compelled to play more than one class up from where it would be classified in a ~~four~~ three class system based strictly on enrollment.

~~10.12.~~7 The WVSSAC Board of Directors is authorized to grant a waiver to a classification assignment when it determines the rule fails to accomplish the purpose for which it is intended.

Rationale:

1. All member high schools will be classified according to the classification formula (as defined in Appendix 1) instead of simply enrollment.
2. The WVSSAC Board of Directors will determine tournament structure for each sport as well as the number of classes that will participate in the tournament for each sport.

**Proposal 9 (Vote: Yes-112 No-16)
Amend §127-3 Appendix 1**

This considers the following factors: enrollment, location, and economics. These factors are given individual scores, which are then given a weighted aggregate total. All individual scores (scores for enrollment, location and economics) are normalized using maximum-minimum normalization using feature scaling, wherein their values fall between 0-1. Individual scores are calculated in the following ways:

- The enrollment score takes enrollment data and normalizes it on a scale from 0-1.
- The location score is ~~made up of two equally weighted pieces.~~
 - ~~Part 1 is determined by taking the school county's population divided by the driving distance between the school and the county seat, that value is then normalized between 0-1.~~
 - ~~Part 2 is calculated by finding the distance from the school to the closest city with a population of 10,000 or more, then normalized between 0-1. Each part is then multiplied by half of the location score weight.~~
- The economic score is determined by first calculating a county score where the z-score of the county's median household income is added to the z-score of the county's poverty rate and

the sum is normalized between 0-1.

- For all schools located within single high school counties, the county economic score serves as the school economic score.
- For all schools located within multi-high school counties, Direct Certified numbers on students eligible for free or reduced lunch are used to scale the county economic score. The scaling is accomplished by comparing the Direct Certified numbers of each individual school with the county average.

Weights are applied to each score that are determined based on qualitative assessment by the WVSSAC Competition Balance Committee. All county data (population, median household income, and poverty rate) are from the most recent US Census American Community Survey's Five Year Estimates and the distances are determined using Google Maps.

Rationale:

The above revisions will provide the following:

1. The factor of proximity to county seat has been removed from the classification formula.

*Proposal 10 (Vote: Yes-58 No-72 Proposal FAILED)
Amend §127-3 Appendix 1*

This considers the following factors: enrollment, location, and economics. These factors are given individual scores, which are then given a weighted aggregate total. All individual scores (scores for enrollment, location and economics) are normalized using maximum-minimum normalization using feature scaling, wherein their values fall between 0-1. - The economic score is determined by first calculating a county score where the z- score of the county's median household income is added to the z-score of the county's poverty rate and the sum is normalized between 0-1.

Rationale:

The above revisions will provide the following:

1. The factor of proximity to county seat has been removed from the classification formula.
2. The factor of proximity to a city of 10,000 has been revised to proximity to a city of 8,000 or more.

Proposal 11 (Vote: Yes-129 No-1)

Amend §127-3-16.6 Sanctioning and Travel (Pg.50) as follows:

16.6. A member school shall not enter an event that involves travel of more than 600 miles round trip unless it ~~occurs on days when school is not in session~~ is approved by the member school's county board of education. ~~The WVSSAC must sanction the event.~~

Rationale:

Currently, the WVSSAC BOD has been approving trips of more than 600 miles in addition to the member school's local board. There is no need for WVSSAC approval if the local board approves. Current sanctioning rules would still apply.

**Kenny DeMoss, Principal
Parkersburg High School**

Proposal 12 (Vote: Yes-105 No-21)

Amend §127-3-19 Baseball (Pg. 52) as follows:

19.9.a. Baseball Middle school teams may play ~~48~~ 20 games not including tournaments sanctioned by the WVSSAC.

Rationale:

High School baseball is allowed 32 games exclusive of sectional, regional, and state tournament contests. In Middle School we are currently permitted 18 games including season-ending conference tournaments. That is a wide disparity in the number of allowed contests for Softball compared to other sports. In other sports, middle school to high school are within 80% of games. Softball Middle School is 56% to High School. We are asking to increase this amount of games to 20 regular season games in order to better prepare student/athletes for the endurance required to complete a high school season. This would move the percentage difference to 63%/69%.

**Brian Atkinson, Principal
Logan Middle School**

Proposal 13 (Vote: Yes-68 No-58)

Amend §127-3-20 Basketball (Boys and Girls) (Pg. 53) as follows:

20.9.f. All middle students may play a maximum of ~~five~~ six quarters per day.

Rationale:

Due to declining participation from a variety of reasons, it is becoming difficult to maintain junior varsity teams which then affects skills development and ensuring that all who wish to play and

apply those skills in a game. Rules for the High School teams for the 2022-23 school year changed from five quarters to six for the same reasons. This should also be applied to Middle Schools to ensure continuity from the Middle School to High School program.

This will also affect Rule 127-3-20 Section 20.9.e – All Middle School students will play a maximum of 100 quarters for one season, which will have to be increased.

**Brian Atkinson, Principal
Logan Middle School**

Proposal 14 (Vote: Yes-109 No-20)

Amend §127-3-20 Basketball (Boys and Girls) (Pg. 54) as follows:

20.9.d. Boys and girls basketball teams will be permitted to play no more than 20 games. Tournament exception does not apply. Schools may play no more than 3 extra games during the end of season conference/county tournament.

Rationale:

Middle school teams in our current conference (10 teams) are having to play few regular season games because they have to “hold out” three games for the conference tournament. This would allow for all teams to play the maximum number of games, while allowing them to hold a conference tournament. In this single-elimination format, only half the teams would play more than one extra game, while only 2 teams would play 3 extra games. Other sports such as wrestling, and football exclude conference or league championships from their total number of season games or weigh-ins.

**John Rogers
Mountaineer Middle School**

Proposal 15 (Vote: Yes-24 No-111 Proposal FAILED)

Amend §127-3-20 Basketball (Boys and Girls) (Pg.53) as follows:

20.9.d. Boys and girls basketball teams will be permitted to play no more than 20 games. End of season conference/county tournament exception does not apply.

Rationale:

Middle schools who participate in a conference should have the same opportunity for season-ending championships as the High School. Middle School conference championships usually do not exceed 2-3 games whereas high schools that are given the exemption could play up to an additional 8-9 games through the state tournament. If a middle school has to plan accordingly to accommodate conference championships, they could lose games if eliminated and not play their maximum of 20. We are asking for the exemption to be applied for Middle Schools.

**Brian Atkinson, Principal
Logan Middle School**

Proposal 16 (Vote: Yes-25 No-111 Proposal FAILED)

Amend §127-3-23 Football (Pg.55) as follows:

23.8. The Board of Directors shall develop a four classification system of four geographic regions.

Rationale:

Football is the only sport that does not have a regional format to determine the state championship. Requiring in-region games will help balance scheduling, and maintaining the point system for eight at-large teams will assure that the sixteen best teams in each classification will

make the playoff field.

Football is the only sport where scheduling affects the post-season eligibility and the student-athletes should not suffer because schools will not agree to play each other.

**David Decker, Principal
Lincoln High School**

Proposal 17 (Vote: Yes-102 No-9)

Amend §127-3-25 Soccer (Boys and Girls) (Pg. 58) as follows:

25.9.a. Middle school teams may play 14 matches. ~~including tournaments sanctioned by the WVSSAC. Tournament exception does apply. Schools may play no more than 3 extra games during the end of season conference/county tournament.~~

Rationale:

Middle school teams in our current conference (10 teams) are having to play few regular season games because they have to "hold out" three games for the conference tournament. This would allow for all teams to play the maximum number of games, while allowing them to hold a conference tournament. In this single-elimination format, only half the teams would play more than one extra game, while only 2 teams would play 3 extra games. Other sports such as wrestling, and football exclude conference or league championships from their total number of season games or weigh-ins.

Proposal 18 (Vote: Yes-49 No-62 Proposal FAILED)

Amend §127-3-26 Softball (Pg. 59) as follows:

26.9.a. Middle school teams may play 18 games ~~including tournaments sanctioned by the WVSSAC.~~

Tournament exception does apply. Schools may play no more than 3 extra games during the end of season conference/county tournament.

Rationale:

Middle school teams in our current conference (10 teams) are having to play few regular season games because they have to "hold out" three games for the conference tournament. This would allow for all teams to play the maximum number of games, while allowing them to hold a conference tournament. In this single-elimination format, only half the teams would play more than one extra game, while only 2 teams would play 3 extra games. Other sports such as wrestling, and football exclude conference or league championships from their total number of season games or weigh-ins.

Proposal 19 (Voted: Yes-93 No-16)

Amend §127-3-26 Softball (Pg.59) as follows:

26.9.a. Softball Middle school teams may play ~~48~~ 20 games not including tournaments sanctioned by the WVSSAC.

Rationale:

High School softball is allowed 32 games exclusive of sectional, regional, and state tournament contests. In Middle School we are currently permitted 18 games including season-ending conference tournaments. That is a wide disparity in the number of allowed contests for Softball compared to other sports. In other sports, middle school to high school are within 80% of games. Softball Middle School is 56% to High School. We are asking to increase this amount of games to 20 regular season games and up to 2 conference championship games in order to better prepare student/athletes for the endurance required to complete a high school season. This would move the percentage difference to 63%/69%.

Proposal 20 (Vote: Yes-122 No-0)

Amend §127-3-30 Volleyball (Girls) (Pg. 60) as follows:

30.2. Organized Team Practice: Organized team practice will begin on Monday of Week 6 5 and the first contest may be played on Wednesday of Week 8 7.

Rationale:

Currently, the volleyball season begins one week later than other fall sports. The volleyball coaches' committee unanimously recommended this change. The change was needed to allow sectionals to be played on week earlier and the regional championship games to be played during week 18 (one night per class), with eight regional champions advancing to the state tournament. The change will also eliminate conflicts of having both volleyball and cheer regionals on the same day.

Proposal 21 (Vote: Yes-131 No-0)

30.10.b. Organized team practice will begin on Monday of Week 7 6 and the first contest may be played on Wednesday of Week 9 8.

Rationale:

Makes the middle school season length consistent with the high school change of starting one week earlier. Also makes middle school volleyball start date consistent with other middle school fall sports.

Proposal 22 (Vote: Yes-116 No-7)

Amend §127-3-30 Volleyball (Girls) (Pg. 63) as follows

30.10.a. Middle school teams will be permitted 18 playing dates. Tournament exception does

apply. Schools may play no more than 2 extra dates during the end of season conference/county tournament.

Rationale:

Middle school teams in our current conference (10 teams) are having to play few regular season dates because they have to "hold out" two dates for the conference tournament. This would allow for all teams to play the maximum number of dates while allowing them to hold a conference tournament. In this single-elimination format, only half the teams would play more than one extra date, while only 4 teams would play 2 extra dates. Other sports such as wrestling and football exclude conference or league championships from their total number of season games or weigh-ins.

Proposal 23 (Vote: Yes-126 No-0)

Amend §127-3-31 Wrestling (Pg.64) as follows:

31.4. Maximum Team Contest: A high school wrestling team will be permitted to have 18 weigh-ins exclusive of regional and state tournaments, no more than 18 varsity weigh-ins, and 18 girls' JV weigh-ins. A male or female participant may participate in no more than a total of 18 weigh-ins exclusive of the state duals qualifier and state duals tournament as well as the regional and state tournament contests between the varsity, jv and girls' jv matches.

Rationale:

To clarify the number of weigh-ins that are allowed for Varsity and JV, wrestlers, including males and females that participate in the state duals qualifier and state duals tournament.

Proposal 24 (Vote: Yes-130 No-0)

Amend §127-4-3 Code for Interscholastic Athletics (Pg. 69) as follows:

3.7.c. Any coach, student, or bench personnel ejected by an official will be suspended for the remainder of the game, match, meet or contest. The coach, student, or bench personnel ejected by an official will also be suspended in an additional contest(s); the suspension will be is assessed based upon ten (10) percent of the allowed regular season contests for that sport, or post season progression in a playoff tournament for each sport. Regardless of when the suspension occurs (regular season or post season), the length of the suspension (number of contests) will be as follows: golf (2); cross country (2); soccer (2); volleyball (2 play dates); football (1); cheer (1); swim (2); wrestling (2 weigh ins); boys basketball (2); girls basketball (2); tennis (2); track (2); softball (3); and baseball (3). Any tenth of a percentage from .1 to .4 will be a suspension equal to the whole number of the percent. Any tenth from .5 to .9 will be an additional contest added to the whole number. The suspension will include the number of indicated contests in that sport and at that level and all other sport contests in the interim at any level. A second ejection will result in the doubling of the suspension assessed for the first ejection. If an individual is ejected for a third time during the same sport season, the individual will be suspended from participating or coaching for 365 calendar days from the date of ejection. In accordance with Rule 127315.3, an individual ejected by an official may not appeal that ejection, or but may appeal any subsequent suspension that is a consequence of the ejection by an official.

Rationale:

The rule change is necessary as a result of a recent court case.

Proposal 25 (Vote: Yes-131 No-0)
Amend §127-2-7 Transfer (Pg. 23) as follows:

7.2.b If the transfer is from a ~~private/parochial school~~ home school or non-member school to a member school in the zone where the student's parents reside, a student is eligible providing: (1) the student is enrolling in a member school for the first time, and (2) the principals of both ~~private/parochial~~ the non-member and member schools involved concur that undue influence is not involved with the transfer.

Rationale:

The rule applies to any non-member school, not just private/parochial.

Constitution and Bylaws

Proposal 26 (Voted: Yes-129 No-0)
Amend §127-3-23 Football (Pg. 57) as follows:

127-3-23.9.g Middle school football teams ~~may~~ shall play overtime periods in regular season games. Overtime periods will be played until a winner is determined in accordance with the NFHS Football Rules "20 yard line overtime procedure."

Rationale:

The rule was changed last year to read "shall." Editorial change needed to correct the language in the rule book.

Constitution and Bylaws

Proposal 27 (Vote: Yes-125 No-1)
Amend §127-1-6 Officers and Duties (Pg. 7) as follows:

127-1-6.4 The annual honorarium of each of the officer-members shall be ~~\$500~~ \$1000.

Rationale:

This amounts to \$100 per meeting. Board of Directors are spending on average 7 hours per meeting with an increased number of appeal hearings at each meeting coupled with long drives for many of them.

2.4. The principal has the authority to designate a member of the faculty who must supervise all interscholastic activities.

2.5. The principal is responsible for adequate team and crowd control measures at home contests in which the school participates, assuring that the school's participants and fans conduct themselves in a proper manner, and assuring that all fans and officials are provided adequate protection. Spouses of deceased principals and assistant principals shall have a WVSSAC permanent Courtesy and Identification Card with the same admittance stipulations transferred to them upon request to the WVSSAC.

An authorized certified individual may coach if they meet all of the requirements in §127-3-6.4.

6.2. A public school substitute teacher is defined as a person who has met the licensure requirements as specified by the West Virginia Board of Education (WVBE) and has been approved as a substitute teacher of that county board of education. Private/parochial school substitutes must meet requirements of respective governing bodies.

6.3. A college student fulfilling teacher training responsibilities as a student teacher may be assigned

certain coaching responsibilities during that period of training. This assignment will be administratively consistent with the student teacher's role in the classroom and shall be approved by the county board of education or the governing body of a private/parochial school. The student teacher will work directly under the supervision of the appointed coach or assistant coach.

6.4. An authorized certified coach must meet the following requirements:

§127-3-7. Out-of-Season Coaching.

7.1. Philosophy -- A student should have the opportunity to engage voluntarily in school athletic activities provided that the student is eligible, that such activities do not interfere with the student's educational development and their activities do not conflict with the principles of wholesome amateur athletics. The WVSSAC discourages the exploitation of students by overzealous individuals and organizations who attempt to impose an obligation or pressure on the student. Athletic participation should be used for the pleasure and satisfaction that is derived from athletic competition in a variety of experiences.

~~7.2. School organized out of season practice or related activities shall be permitted with principal approval during three consecutive weeks established by each school and approved by each county board of education or by the governing body of a private/parochial school. These three consecutive weeks may begin on or after Monday of Week 49, and must conclude by Friday of Week 4 of the NFHS Standardized Calendar; provided, there will be no out of season practice or related activities during the week of July 4th as determined by the NFHS Standardized Calendar (refer to handbook appendix). Participation must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Participation by students during these weeks does not meet §127-2-13.4.~~

127CSR3

7.2.a. With principal approval, each sport program may use ~~twelve~~ 32 “flex-days” from Monday of Week 49 through Friday of Week 48 of the next academic year. A flex-day is a day, outside the regular season and ~~outside the three-week practice window~~, when a coach may have sport-specific contact with student athletes. Flex-days shall not be used during the first week of each high or middle school sport season. Use of any part of a day for an activity will count as a full day of activity.

7.2.a. These flex days shall be combined with all varsity and sub-varsity sports by teams. (A flex day used by a sport counts for all levels of that sport per school.) Participation must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Additionally, the (Sunday-Saturday) of July 4th and two weeks surrounding Christmas Day and New Year’s Day (Sunday-Saturday) shall also be eliminated from flex day use.

7.3. A coach or principal designee of each sport or activity may be present as an observer, lecture participant, staff member, [or in any capacity at any summer camp] during weeks established in §127-3-7.2 and §127-3-7.2.a.

7.4. A coach or designee shall not work with individuals in any form of drills or practice of the grade level coaching assignment and preceding grade level except during those dates specified as the season for that specific sport or as designated in §§127-3-7.2, 127-3-7.2.a, and 127-3-7.3.

7.5. Coaches may participate in a formal development program of the United States Olympic Committee (USOC) involving students of the same sport as their coaching assignments. The formal development program must be under the official guidance of the USOC through the National Governing Body (NGB) of the sport. The NGB must assure in writing to the WVSSAC that coaches will receive formal orientation and that strict supervision and monitoring of coaches will ensure that no recruitment or inappropriate influence will be exerted on students.

7.6. Conditioning/Recreation Programs -- Throughout the academic year, students who are not participating in a school’s athletic program may voluntarily participate in an off-season conditioning program. This program also may occur during the summer, subject to county board of education or governing body approval and the following provisions:

7.6.a. Participation in the program must be open to all students enrolled in the school providing the program.

7.6.b. Participation is voluntary and is not required directly or indirectly for membership on a school team.

7.6.c. Students will provide their own clothing (sweatsuit, shoes, etc.).

7.6.d. Activities will be limited to running, weight training, and stretching exercises. Agility drills that do not involve specific skills of a given sport are permitted.

7.6.e. Specific equipment pertaining to a given sport may not be used. This includes such items as footballs, basketballs, volleyballs, wrestling mats, discuses, etc.

7.6.f. In cases where schools schedule all students into the last period of the school day, the guidelines in §§127-3-7.6.c, 127-3-7.6.d, and 127-3-7.6.e shall apply unless the class is considered a part

127CSR3

of the physical education program and credit is earned. There shall be no teaching of sport specific skills in this case unless those same skills and course of study are taught in all physical education classes at this same time of the academic year.

7.6.g. The county board of education may choose to compensate the supervisor or director of conditioning/recreation programs.

7.7. Coaches may not promote, initiate, organize, supervise, or participate in out-of-season events involving students of the same sport as the grade level coaching assignment and preceding grade level except as specified in §§127-3-7.2, 127-3-7.2.a, and 127-3-7.3 until the student has aged out of the coach's assignment. A middle school coach may coach an 8th grade student in the same sport after the conclusion of the season. A high school coach may coach an athlete once the student has completed the senior season. The county board of education shall be authorized to approve a coach to organize and/or supervise a recreation program for students. However, this type assignment must be recreational in nature, include a variety of activities, and comprise no coaching or instruction of that same sport as the school coaching assignment. In addition to the above, gymnasiums or facilities opened for recreational activities must use the following requirements:

7.7.a. The gymnasium or field is open to all students for participation.

7.7.b. Various activities are available to students and are not limited to one sport or activity on a given day.

7.7.c. Supervisor or director must be approved by the county board of education or governing body.

7.7.d. There is no coaching or instruction in the skills and technique in any sport.

7.7.e. Comparable opportunities are provided both sexes.

7.7.f. Participation is voluntary and is not required directly or indirectly for membership on a school team.

7.8. The principal is responsible for adherence to these requirements.

§127-3-8. Forfeit and Restitution.

8.1. A written request for investigation of an eligibility issue in any sport may be filed by a member school principal with the WVSSAC Executive Director. Individual and/or team awards will not be affected if the request is filed more than 42 calendar days past the conclusion of the State Championship in that sport.

8.2. When a student is declared ineligible subsequent to competing as an individual, or a penalty has been imposed or action taken by the WVSSAC, the student's performance shall be stricken from the records and the points contributed to the team total deleted. The team standings will be adjusted accordingly, and any awards received shall be returned.

8.3. When a student is declared ineligible subsequent to representing the school in team competition

127CSR3

or a penalty has been imposed by the WVSSAC, the contest(s) may be forfeited. The team standing in the final standing will be adjusted, and the team awards and the ineligible student's awards may be returned.

8.4. If a team, or student participating in an individual contest, leaves the playing area in protest and fails to complete the contest, the contest is forfeited and the school principal or designee and the violator may be required to appear before the WVSSAC Executive Director to indicate why additional action should not be taken.

8.5. If a coach is ejected from a contest and an assistant coach or assigned school representative is not available to continue as coach, the contest is terminated and forfeited to the opponent.

8.6. If a student is deemed ineligible under WVSSAC rules, but participates in interscholastic competition in accordance with the terms of a court order or injunction, and the order or injunction ultimately otherwise adjudicated so that injunctive relief is/was not warranted, any one of the following actions may be taken in the interest of fairness or restitution to the competing schools:-

8.6.a. Require that individual or team performance records achieved during participation by such ineligible student shall be vacated or stricken; or

8.6.b. Require that team or individual victories be forfeited to opponent(s); or

8.6.c. Require that team or individual awards earned by such individual or team be returned to the Commission.

§127-3-9. Game Officials.

9.1. All officials utilized in interscholastic games and contests in West Virginia must be registered with the WVSSAC, except in the case of emergency, §127-3-9.4 may be invoked. A game officials' registration plan shall be established by the WVSSAC Board of Directors (Board of Directors).

9.2. Officials for interscholastic contests shall be agreed upon mutually by the competing schools at least two weeks before the scheduled date of contest. Coaches or other persons connected with competing schools shall not officiate at the contest unless all competing consent.

9.3. The host school initiates the selection of game officials. It is highly recommended that the host school contract officials for all interscholastic contests. Contractual agreements are between the school and the official.

9.4. The WVSSAC Executive Director shall be empowered to authorize the use of non-registered officials for athletic contests where registered officials are not available and scheduled athletic contests risk cancellation.

9.5. All officials registered with the WVSSAC are subject to and required to abide by the rules and regulations set forth in these rules and the "West Virginia Secondary School Activities Commission Officials' Handbook", which is revised and published yearly. WVSSAC registered officials are provided the same opportunity for appeal of any decisions as set forth in the rules.

9.6. The official shall:

127CSR3

9.6.a. Attend a state WVSSAC rules clinic in the sport for which the official is registered. Failure to comply will result in suspension for that year.

9.6.b. Attend four local Officials' Board meetings. Failure to comply will result in suspension for that year.

9.6.c. Take Part I and Part II NFHS Rules Examinations in the sports where specified. Failure to take Part I will result in a five point deduction for the purpose of classification at the end of that sport season. Failure to take Part II Exam will result in suspension the following year.

9.6.d. Abstain from consuming intoxicating beverages on the day of the assigned contest prior to and during the contest, and after, in the vicinity of the playing area of the contest.

9.6.e. Abstain from the use of smokeless or any other forms of tobacco in the vicinity of the playing area of the contest.

9.6.m. Comply with any WVSSAC rule, regulation, Constitution, or directive, and particularly those regulations pertaining to filing Special Reports and Official Ratings of Schools.

9.6.n. Honor all existing officiating contracts with member schools unless a valid reason is presented and accepted by the involved school. Accepting a game involving a higher level of competition is not a valid reason to cancel a contract.

9.6.o. Comply with local board rules as set forth in board regulations.

9.7. The WVSSAC Executive Director shall have the power to penalize for violations of these rules. Any official penalized under these rules shall have the right to appeal to the Board of Directors. The WVSSAC Executive Director shall inform fully a penalized official of appeal rights.

§127-3-10. Classification.

~~10.1. Excluding boys and girls basketball, e~~Each member high school shall be classified as either AAAA, AAA, AA, or A based on the enrollment figures in grades 9, 10, 11, and 12 total score given by the classification model that considers the factors of enrollment, location, and economics. The designation shall be done after at the end of the second school month of the odd numbered year preceding the classification. For an explanation of the classification model, and how scores are assigned, see Appendix 1.

~~10.2. Excluding boys and girls basketball, e~~Classification of member high schools shall be determined every four years on the even numbered years and will remain in effect for a four year period unless the school experiences a 20% change in enrollment using WVDE enrollment figures at the end of the second school month. Classification changes due to a 20% change in enrollment becomes effective next academic year.

10.3. A school may choose to compete in WVSSAC tournaments in any class above its classification providing proper notification is made to the WVSSAC prior to Friday of week 27 after classification has been approved by the Board of Directors. The WVSSAC will conduct a survey of the membership prior to any change of structure of any given sport.

~~10.5. Excluding boys and girls basketball, i~~f a consolidation of two or more member schools occurs during the classification period, the new member school will be reclassified based on the combined enrollment of 9, 10, 11, and 12 in the consolidating schools total score given by the classification model that considers the factors of enrollment, location, and economics.

~~10.6. APPENDIX 1

This considers the following factors: enrollment, location and economics. These factors are given individual scores, which are then given a weighted aggregate total. All individual scores (scores for enrollment, location and economics) are normalized using maximum-minimum normalization using feature scaling, wherein their values fall between 0-1. Individual scores are calculated in the following ways:

- The **enrollment score** takes enrollment data and normalizes it on a scale from 0-1
- The **location score** is ~~made up of two equally weighted pieces.~~
 - ~~Part 1 is determined by taking the school county's population divided by the driving distance between the school and the county seat, that value is then normalized between 0-1.~~
 - ~~Part 2 is calculated by finding the distance from the school to the closest city with a population of 10,000 or more, then normalized between 0-1. Each part is then multiplied by half of the location score weight.~~
- The **economic score** is determined by first calculating a county score where the z-score of the county's median household income is added to the z-score of the county's poverty rate and the sum is normalized between 0-1.
 - For all schools located within single high school counties, the county economic score serves as the school economic score.
 - For all schools located within multi-high school counties, Direct Certified numbers on students eligible for free or reduced lunch are used to scale the county economic score. The scaling is accomplished by comparing the Direct Certified numbers of each individual school with the county average.

Weights are applied to each score that are determined based on qualitative assessment by the WVSSAC Competition Balance Committee. All county data (population, median household income, and poverty rate) are from the most recent US Census American Community Survey's Five Year Estimates and the distances are determined using Google Maps.
