§ 91-6-9. Temporary Registration Plates.

9.1. The licensee shall keep a record of all temporary registration plates issued by the dealership for a period of three (3) years from the date of issuance.

9.2. The licensee shall not issue, assign, transfer or deliver a temporary registration plate to anyone other than the bona fide purchaser of the vehicle sold or delivered by the dealership.

9.3. The licensee shall not issue a temporary registration plate for a vehicle which has been purchased from another dealer.

9.4. The licensee shall not issue a second temporary registration plate on a vehicle previously assigned a West Virginia temporary registration plate. A licensee shall not extend the time for which a temporary plate is valid.

9.5. The licensee shall not intentionally issue a temporary registration plate containing any misstatement of fact.

9.6. If it is determined by the Division that a licensee is not in compliance with the provisions of law and this legislative rule relative to temporary registration plates, the Commissioner may suspend the right of the licensee to issue temporary registration plates pursuant to W. Va. Code §17A-6-15(f).

9.7. If the temporary registration plates are issued electronically, the information needs to be verified before the plate is issued. The electronic system will issue temporary plates in random order and will record them electronically.

9.8. A dealership may submit title, tax and registration work through a licensed West Virginia license service.

§ 91-6-10. Dealer Franchise Agreement.

10.1. Each licensee conducting a business in new motor vehicles or house trailers shall obtain a franchise from the manufacturer to sell a particular brand of motor vehicle or house trailer.

10.2. The licensee shall submit on any original or renewal application, or upon the request of the Division, a copy of the franchise or sales agreement the licensee has with the manufacturer.

§ 91-6-11. Unlicensed Dealers.

11.1. Any person who engages, represents or advertises that he or she is engaged in or intends to engage in the business of new motor vehicle dealer, used motor vehicle dealer, house trailer dealer, trailer dealer, recreational vehicle dealer, motorcycle dealer, or wrecker/dismantler/rebuilder dealer in this State, without first obtaining a license certificate is in violation of W. Va. Code §17A-6-3, and is, in addition to any other penalty, subject to civil penalties pursuant to the provisions of W. Va. Code §17A-6-3(c).

11.2. Any titles presented to the division for processing by a person who has been identified by the division as an unlicensed dealer will not be processed.

11.3. The civil penalties provided by W. Va. Code §17A-6-3(c) shall be levied by the Commissioner upon receipt of information which gives the Commissioner reason to believe that a violation of W. Va. Code §17A-6-3 has occurred. A rebuttable presumption exists that a person is engaged in the business of a dealer if he or she sells ten or more used motor vehicles or five or more vehicles of any other type of vehicle requiring a license to engage in the business of selling the vehicle in a twelve (12) month period. The Commissioner may request any additional information or investigation he or she considers necessary before levying any civil penalty.

11.4. The civil penalty assessed shall not take effect until the Commissioner sends by certified mail return receipt requested to the person in violation of W. Va. Code §17A-6-3, a notice of violation finding that the person has committed an offense. The notice shall contain:

11.4.a~~1~~. A statement of the offense the person committed;

11.4.b~~2~~. A summary of the facts on which the finding of a violation was made;

11.4.e~~3~~. The amount of the civil penalty which is being levied; and

11.4.d~~4~~. An order that the person:

11.4.4.a~~1~~. Cease and desist from all future violations and pay the civil penalty; or

11.4.4.b~~2~~. Protest in writing the findings of the Commissioner and or the amount of the assessed penalty and request a hearing in accordance with the provisions of this subsection and of section 8 of this rule.

11.5. Any request for a hearing must be received by the Commissioner within thirty (30) days after the mailing date of the Notice of Violation.

11.6. The Notice of Violation may be sent to any address which the person has used on any title or license application, or other record which the Commissioner believes is current.

11.7. Failure of any person to receive a Notice of Violation shall not preclude the civil penalty from taking effect. However, the Commissioner shall accept as timely a request for hearing from any person who, within one (1) year of the date the Notice of Violation was sent, provides satisfactory proof that he or she did not receive the Notice of Violation and that good cause exists to excuse his or her failure to receive the Notice of Violation and that he or she wishes in good faith to assert a protest to the Notice of Violation. The pendency of the one-year period shall not keep any penalty from taking effect pursuant to subsection 9 of this section. The Commissioner shall stay enforcement of the civil penalty upon his or her acceptance of any notice filed after the thirty (30) day period pending the outcome of the appeal.

11.8. Upon receipt of a timely request the Commissioner shall afford the person a hearing in accordance with section 8 of this rule. For purposes of section 8 of this rule, the Notice of Violation shall be considered an order of the Commissioner. The Commissioner, in addition to considering the evidence relied upon to prove or defend against a finding of a violation, shall also evaluate the appropriateness of the amount of the civil penalty. In making the evaluation, the Commissioner shall consider:

11.8.a~~1~~. The severity of the violation and or its impact on the public;

11.8.b~~2~~. The number of similar or related violations;

11.8.e~~3~~. Whether or not the violations were willful or intentional; and

11.8.d~~4~~. Any other facts considered appropriate.

11.9. In addition to any other findings of fact or conclusions of law, the Commissioner may reduce the civil penalty to a stated amount. The appellant may, at any time during the pendency of the appeal, enter into a settlement agreement with the Commissioner. The settlement agreement may provide for a reduction in the penalty and it may provide for assurances that future violations will not occur without an admission

of guilt by the appellant. The payment of any civil penalty pursuant to a settlement agreement which clearly states that no finding of violation is made shall not amount to an admission of guilt for purposes of any criminal prosecution. But the settlement agreement shall operate as a violation for any additional penalty for a second or subsequent violations of the provisions of W. Va. Code §17A- 6-3.

11.10. Upon the expiration of all periods for protest or appeal, of any Notice of Violation, or other order of the Commissioner issued pursuant to §17A-6-3(a), the Notice of Violation or order shall have the same force and effect as a judgment entered by any court of law of this State.

11.11. Any officer of a corporation that is found to have committed a violation of W. Va. Code §17A-6-3 and is shown to have been substantially involved with the violation may be individually found to be a co-violator and assessed a civil penalty as provided by this rule.

§ 91-6-12. Administrative Appeals Of Commissioner's Orders Or Decisions.

12.1. Any applicant or licensee or any other party, adversely affected by an order made and entered by the Commissioner in accordance with the provisions of W. Va. Code §§17A-6-1 et seq.; 17A-6B-1 et seq.; or 17A-6C-1 et seq. and/or this legislative rule, may request a hearing in accordance with the provisions of West Virginia Legislative Rules, Division of Motor Vehicles, 91CSR1, Administrative Due Process.

12.2. The applicant or licensee may request a stay of the commissioner's order for good cause pending the outcome of the hearing. The request must be in writing and must state the specific reason or reasons why the order should be stayed. The stay will be granted or denied at the commissioner's discretion.

§ 91-6-13. Daily Passenger Rental Car Tax.

13.1. A daily passenger rental car tax of one dollar for each rental day or part of a day of the rental transaction contract is imposed on the rental of daily passenger vehicles in accordance with the provisions of W. Va. Code §17A-3-4(b)(11). For the purposes of this section, a daily rental transaction is defined as one twenty-four-hour period within the terms of the contract rental day regardless of time of contract start or finish. Contracts for less than a twenty-four-hour period are also defined as a transaction. This tax is in addition to the taxes imposed by W. Va. Code §11-15-1 et seq and §11-15a-1 et seq. The Daily Passenger Rental Car Business licensee shall collect the tax on each vehicle rental transaction originating in this state regardless of where the vehicle is titled or registered and shall remit all taxes collected to the Division of Motor Vehicles on a monthly basis.

§ 91-6-14. Dealer Recovery Fund.

14.1. The Dealer Recovery Fund Control Board shall consider only claims submitted for the purposes enumerated in W. Va. Code §17A-6-2a (h). The Board will not consider claims for attorney fees, accrued interest, punitive damages or claims submitted by or on behalf of a person or financial institution that lends money or credit to a dealer and holds the dealer's inventory as collateral or payment of the loan or credit, commonly referred to as floor planners.

14.2. Any dealer who is exempted from the surety bond requirement in accordance with W. Va. Code §17A-6-2a(c)(1) who subsequently is subject to a claim, civil penalty, suspension or revocation shall, within 30 days of notice to the licensee from the Division, obtain a new surety bond and shall maintain the bond for a period of three licensing years before the dealer would qualify again for the exemption.

16.2. Any motor vehicle dealer, or employee thereof, who intentionally disrupts the peaceful conduct of division business in any way, or verbally abuses a division employee, including shouting, cursing, name-calling, or in any other way harasses a division employee, shall be refused service for 24 hours.
