Hello,

This is Kayla Burns from the Regulatory and Licensing Division of the WVSFMO.

The following language in 4.1.b should be struck from 103CSR7 as it refers to rule 87-05 that was effective August 1, 2006, and is no longer pertinent.

4.1.b. Shall ~~either present proof of having conducted business as a home inspector for three years prior to the effective date of this rule, or~~ proof of satisfactory completion of at least eighty (80) hours of instruction which, as determined by the State Fire Marshal, directly relates to the performance of professional home inspections.

Thanks,

Kayla Bess Burns
