

**Summary of Public Comments Received and Responses for
146 CSR 7: Application and Approval Process for Secretary of State Expenditures from
the County Assistance Voting Equipment Fund**

Public Comment by Anthony Delligatti on July 28, 2023:

1. At subsection 2.1, the acronym “EAC” should be defined.
2. Because the Secretary of State is a member of the State Election Commission, the Secretary of State should be recused from any vote on any HAVA grant application under the Rule submitted by the Secretary.

State Election Commission response:

1. “EAC” stands for the U.S. Election Assistance Commission, which will be defined in the Rule.
2. The Rule will require the Secretary of State to be recused from any vote on any HAVA grant application under the Rule.
