Re: 19CSR1.2.2. Comments

Dear Mr. Wilson,

The West Virginia Board of Registered Nurses appreciates your comments regarding the proposed rule change to 19CSR1.2.2. When examining this potential rule change, the Board found no evidence that the current form of 19CSR1.2.2. had any effect on the education, recruitment or retention of nurses in our state. Moreover, the Board feels that "Administrator Employment Time" is a matter best negotiated between Nurse Education Programs and their administrators to suit individual program needs rather than mandated by the Board.

For the Board,
