§91-10-2. Definitions.

2.1. Handicapped parking permit means either the special license plate or removable windshield placard issued under the provisions of W. Va. Code §17C-13-6 meeting the specifications prescribed in Federal Rule 23CFR Part 1235.

2.2. Licensed Physician - means any allopathic or osteopathic physician licensed in this state or any other state.

§91-10-3. Handicapped Parking Permits - Eligibility.

3.1. Eligibility - In accordance with W. Va. Code §17C-13-6, a physically disabled person with limited mobility is any person who is a resident of West Virginia and who suffers from a permanent or temporary physical condition making it unduly difficult and burdensome to walk. In accordance with Federal Rule 23CFR Part 1235.2 (b) and ~~W. Va. Code §17C-13-6(e) (1996 enactment)~~ W. Va. Code §17C-13-6(b) limited mobility shall be further defined as persons who as certified by a licensed physician:

3.1.1. Can not walk two hundred (200) feet without stopping to rest; or

3.1.2. Can not walk without the use of, or assistance from, a brace, cane, crutch, another person, prosthetic device, wheelchair, or other assistive device; or

3.1.3. Are restricted by lung disease to such an extent that the persons forced (respiratory) expiratory volume for one second, when measured by spirometry, is less than one liter, or the arterial oxygen tension is less than sixty mm/Hg on room air at rest; or

3.1.4. Use portable oxygen; or

3.1.5. Have a cardiac condition to the extent that the person's functional limitations are classified in severity as Class III or Class IV according to standards set by the American Heart Association; or

3.1.6. Are severely limited in their ability to walk due to an arthritic, neurological, or other orthopedic condition.

The licensed physician shall certify on the application specifically as to which of the six conditions pertain to the applicant.

§91-10-4. Application Procedure.

4.1. Application For a Special License Plate.

4.1.1. Upon proper application, on the form prescribed by the Commissioner and completion of all requested information, including the physician certification, a person who is a resident of West Virginia with a disability as defined in Section 3 of this Rule, shall be issued no more than two special license plates for not more than two Class A vehicles registered in West Virginia in the applicant's name.

4.1.2. The fee for the issuance of a special license plate shall not exceed the fee charged for a regular issue license plate for the same class or weight of vehicle. However, any application for a duplicate special license plate shall be accompanied by the fee prescribed in W. Va. Code §17A-10-11 and certification that the original plate was lost, stolen, or otherwise unusable.

4.1.3. Upon request, one permanent removable windshield placard may be issued to the applicant who already has one special plate. However, an applicant who has obtained two special license plates is not eligible for any removable windshield placards.

4.2. Application For a Permanent Removable Windshield Placard.

4.2.1. Upon proper application, on the form prescribed by the Commissioner and completion of all requested information, including the physician certification, a person who is a resident of West Virginia with a disability as defined in Section 3 of this Rule shall be issued one permanent removable windshield placard. In accordance with the provisions of W. Va. Code ~~§17A-13-6~~ 17C-13-6, there is no fee for the permanent removable windshield placard.

4.2.2. Upon request, the Commissioner may issue one additional permanent removable windshield placard to an applicant who does not have a special license plate for a maximum of two permanent removable windshield placards. ~~Such additional removable windshield placard shall have the same expiration as the original placard.~~

4.3. Application For A Temporary Removable Windshield Placard.

4.3.1. Upon proper application, on the form prescribed by the Commissioner, and completion of all requested information, including the physician certification, a person who is a resident of West Virginia with a disability as defined in Section 3 of this Rule shall be issued one temporary removable windshield placard for a period of time not to exceed six months.

4.3.2. Upon request, the Commissioner may issue an applicant one additional temporary removable windshield placard.

4.4. Upon application of a West Virginia organization which transports persons with disabilities, the Commissioner shall issue special license plates or removable placards in such a manner as in his or her

judgement facilitate the mobility of such organization's customers, patients, students, or persons otherwise placed under the responsibility or care of the organization.

4.5. The removable windshield placard may be used in any class A vehicle in which a person with a disability is the operator or passenger, regardless of vehicle ownership.

4.6. Upon proper application, on the form prescribed by the Commissioner and completion of all requested information, including the physician certification, a person who is a resident of West Virginia with a disability as defined in Section 3 of this Rule, shall be issued special license plates for one or more Class G motorcycle vehicles registered in West Virginia in the applicant's name.

4.7. Any applicant with a permanent disability who has obtained a special disabled class A license plate, special disabled class G license plate, or removable windshield placard with current and unexpired physician certification is required to complete the designated application but is not required to obtain a physician certification for an additional plate or placard.

§91-10-5. Renewal.

5.1. The special license plate shall be renewable each year in accordance with the provisions of W. Va. Code §17A-1-1. The Commissioner shall require each registrant to submit recertification from a licensed physician every five years or portion of the five-year renewal cycle established by the Commissioner for continued eligibility for the special license plate.

5.2. The ~~permanent~~ removable windshield placard ~~shall be valid for a period of five years or portion of the five year renewal cycle established by the Commissioner~~ shall be valid for the duration of the applicant's life. ~~The applicant shall submit certification from a licensed physician for continued eligibility for the removable windshield placard prior to renewal for an additional renewal period.~~

5.3. The temporary removable windshield placard shall not be renewable. However, the applicant may submit an original application for another temporary removable windshield placard upon certification by a licensed physician.

5.4. The Commissioner may issue a duplicate removable windshield placard upon certification by the applicant that the original removable windshield placard was lost, stolen or otherwise made unusable. The fee for a duplicate removable windshield placard is \$5.00 as prescribed in W. Va. Code §17A-10-11.

§91-10-6. Display of Placard.

6.1. The placard shall be displayed by hanging it from the front windshield rear view mirror of the vehicle in such a manner that it may be conspicuously visible from the outside of the vehicle only when the vehicle is utilizing reserved handicapped parking space. When there is no rear view mirror, the placard shall be displayed on the dashboard to be conspicuously visible from the outside of the vehicle. The placard shall be removed from the rear view mirror whenever the vehicle is in motion. A placard shall not be used on a class G motorcycle vehicle.

§91-10-7. Identification Cards.

7.1. The Commissioner shall issue all holders of handicapped parking permits one identification card to be carried by the person with a disability whenever handicapped parking privileges are exercised. Such card shall be exhibited to any law enforcement officer on demand.

7.2. The Commissioner may issue a duplicate identification card upon certification by the applicant

that the original identification card was lost, stolen, or otherwise made unusable.

§91-10-8. Reciprocity.

8.1. ~~In accordance with Federal Rule 25-CPR Part 1235, and W. Va. Code §17C-13-6(h)~~ All removable windshield placards, decals or special license plates issued by any other state or country shall be recognized for the purpose of identifying vehicles permitted to utilize parking spaces reserved for persons with disabilities regardless of where the placard, decal or plate is mounted or displayed on the vehicle.
