The proposed rule cleans up the existing rule and states that 1) the Ethics Commission staff shall prepare necessary disclosure forms, statements, or reports; 2) persons required to file such disclosure forms, statements, or reports may request that they be modified; and 3) the Ethics Commission will consider requests and respond to the same. The amendment changes the statute citation in the authority section of the rule to make it consistent with Senate Bill 482 passed during the 2024 Regular Session that repealed an old and unnecessary article in the Ethics Act, W.
