Office of West Virginia
Secretary Of State

NOTICE OF AN EMERGENCY RULE

AGENCY: Administration

TITLE-SERIES: 148-25

RULE TYPE: Legislative Amendment to Existing Rule: No

RULE NAME: ONE-STOP-SHOP PERMITTING PROGRAM

CITE STATUTORY AUTHORITY FOR PROMULGATING EMERGENCY RULE:

W. Va. Code § 5A-13-1 et seq.

IF THE EMERGENCY RULE WAS PROMULGATED TO COMPLY WITH A TIME LIMIT ESTABLISHED BY CODE OR FEDERAL STATUTE OR REGULATION, CITE THE CODE PROVISION, FEDERAL STATUTE OR REGULATION AND TIME LIMIT ESTABLISHED THEREIN:

W. Va. Code § 5A-13-4(b) requires an emergency rule be filed within 60 days of the effective date.

PRIMARY CONTACT:

NAME: Samantha L. Willis

ADDRESS: 2019 Washington Street East Charleston WV

EMAIL: samantha.l.willis@wv.gov

PHONE NUMBER: 304-558-0492

THE ABOVE RULE IS BEING FILED AS AN EMERGENCY RULE TO BECOME EFFECTIVE AFTER APPROVAL BY THE SECRETARY OF STATE OR THE 42ND DAY AFTER FILING, WHICHEVER OCCURS FIRST. THE FACTS AND CIRCUMSTANCES CONSTITUTING THE EMERGENCY ARE AS FOLLOWS:

This emergency rule is an initial step in the implementation of the One Stop Permitting Program enacted by the West Virginia Legislature, at the request of the Governor, in House Bill 2002. That Program seeks to revolutionize and streamline West Virginia's permitting system by creating an online dashboard for processing and tracking permits for construction, economic development, infrastructure, and natural resource projects. In turn, this dashboard will increase transparency and efficiency in agency permitting, streamline the review process, and accelerate business and economic development throughout the State. The Program is also set to create a fast track option allowing developers of urgent projects to pay an additional fee to ensure their time-sensitive permits are expedited.

Under W. Va. Code § 5A-13-3(c), the Program is set to be available to the public on January 1, 2027. To ensure the Program can meet that roll-out date, House Bill 2002 established certain implementation benchmarks. These include W. Va. Code § 5A-13-4(b) which requires the Secretary of Administration to file an emergency rule, in consultation with the various permitting agencies, to initially identify relevant permits and their corresponding deadlines. This rule filing also provides the public with notice so that these proposed deadlines for agencies to respond to permit applications can be evaluated well in advance of the full program implementation on January 1, 2027. The Secretary looks forward to meaningful comments on the deadlines and fast-track fees proposed in this rule and to working with stakeholders to ensure success of this Program.

DOES THIS EMERGENCY RULE REPEAL A CURRENT RULE? No

HAS THE SAME OR SIMILAR EMERGENCY RULE PREVIOUSLY BEEN FILED AND OR EXPIRED? No

SUMMARIZE IN A CLEAR AND CONCISE MANNER THE OVERALL ECONOMIC IMPACT OF THE PROPOSED LEGISLATIVE RULE:

A. ECONOMIC IMPACT ON REVENUES OF STATE GOVERNMENT:

Adopting the emergency rule will create procedures for the One-Stop-Shop Permitting program, which will streamline statewide economic development efforts by ensuring business partners can find and track key business permits, all in one convenient location. This structural reorganization of the permitting process will create ease of use for West Virginia's partners, while the clarified deadlines, upcoming fast-track deadlines, and corresponding fees will encourage speed and consistency in review. This program will incentivize West Virginia's agencies to maintain a business-friendly posture, through tracking and transparency efforts. Further, the data collected and maintained through this process will help West Virginia's agencies to evaluate and continuously improve current and future processes, creating an opportunity for growth, development, and increased competition with neighboring states. This emergency rule provides notice to potential permit holders of the proposed deadlines and associated fees which will come into effect upon full implementation. This gives those agencies and individuals impacted the opportunity to provide initial comments and feedback well-in advance of implementation to ensure the One-Stop-Shop permitting portal will be advantageous and effective for all participants.

B. ECONOMIC IMPACT ON SPECIAL REVENUE ACCOUNTS:

When fully implemented the rule will establish new fees in the form of fast track fees, allowing permit applicants to request fast-track consideration, for quicker investment in the State.

C. ECONOMIC IMPACT ON THE STATE OR ITS RESIDENTS:

The Program and this related rule are designed to revolutionize and streamline West Virginia's permitting system for construction, economic development, infrastructure, and natural resource projects. It is also designed to make West Virginia more competitive in relation to the neighboring states by reducing red-tape and decreasing permitting review time. The rule is expected to attract and encourage business development by simplifying and streamlining the permit application process. Construction, economic development, infrastructure, and natural resource projects are a core piece of West Virginia's economic success. Creating a welcoming regulatory environment for these types of projects is key to generating jobs and economic growth.

D. FISCAL NOTE DETAIL:

Effect of Proposal	Fiscal Year		
	2025 Increase/Decrease (use "-")	2026 Increase/Decrease (use "-")	Fiscal Year (Upon Full Implementation)
1. Estimated Total Cost			
Personal Services			
Current Expenses			
Repairs and Alterations			
Assets			
Other			
2. Estimated Total Revenues			

E. EXPLANATION OF ABOVE ESTIMATES (INCLUDING LONG-RANGE EFFECT):

As provided in W. Va. Code § 5A-13-3(c), the program and the permitting deadlines in this rule will not be in effect until January 1, 2027. The costs of implementation are unknown at this time as the Secretary of Administration continues to explore technology options for the dashboard. The system parameters and specifications for the system are researched and developed. The majority of costs are expected to be offset by fees and future income resulting from an increase in permits and statewide project development.

BY CHOOSING 'YES', I ATTEST THAT THE PREVIOUS STATEMENT IS TRUE AND CORRECT.

Yes

Misty Peal--By my signature, I certify that I am the person authorized to file legislative rules, in accordance with West Virginia Code §29A-3-11 and §39A-3-2.

TITLE 148
LEGISLATIVE RULES
DEPARTMENT OF ADMINISTRATION

SERIES 25
ONE-STOP-SHOP PERMITTING PROGRAM

§148-25-1. General.

1.1. Scope. -- This rule implements deadlines and procedures for the One-Stop Shop Permitting Program to expedite the state's permitting, licensing, and authorization processes.

1.2. Authority. -- W. Va. Code § 5A-13-1 et seq.

1.3. Filing Date. --

1.4. Effective Date. --

1.5. Sunset Provision -- This rule shall terminate and have no further force and effect on August 1, 2031.

§148-25-2. Definitions.

2.1. For the purposes of this rule:

2.1.1. "Complete Permit Application" means a request for the issuance or renewal of a permit that contains all information, signatures, supporting evidence, and payments necessary for a permitting agency to process and approve the permit.

2.1.2. "Day" means business days for any review or fast track deadline value of ten (10) or less and calendar days for any value of ten (10) or greater, unless otherwise specified.

2.1.3. "Dashboard" means the publicly accessible, interactive, online platform created by the Department of Administration to facilitate the issuance and renewal of permits through the One-Stop-Shop Permitting Program.

2.1.4. "Department" means the Department of Administration.

2.1.5. "Economic Development Project" means a commercial, industrial, community improvement, or preservation project resulting from a strategic and coordinated effort which is likely to foster local or state economic growth.

2.1.6. "Fast-Track" means an option for an applicant to request expedited processing of a permit application for a fee.

2.1.7. "Permit" - means any permit, license, or approval that is a prerequisite for performing any economic development project and that is available and applied for using the One-Stop-Shop Permitting Program dashboard. A permit includes, but is not limited to, projects for construction; economic development; infrastructure; or natural resource project in this state that a permitting agency issues, grants, modifies, renews, denies, or revokes.

2.1.8. “Permitting agency” means any division, office, board, or other entity of the Department of Commerce, the Department of Environmental Protection, the Office of Environmental Health Services, the Department of Revenue, the Department of Tourism, the Department of Transportation, and the Secretary of State that grants, issues, denies, or revokes a permit or business registration. Per W. Va. Code §5A-13-2, permitting agency does not include Lottery, Lottery Commission, the Division of Financial Institutions, or the Division of Motor Vehicles.

2.1.9. “Program” means the One-Stop-Shop Permitting Program created in W. Va. Code §5A-13-1 et seq. designed to enhance public awareness, collaboration, accountability, coordination, transparency, and predictability in the state’s permitting, licensing, and authorization process.

2.1.10. “Secretary” means the cabinet secretary for the Department of Administration.

§148-25-3. Permit Processing Deadlines.

3.1. If a deadline for agencies to process a Program permit does not exist in statute or regulation, Attachment A to this rule establishes one.

3.1.1. Permitting agencies shall follow the processing deadlines in Attachment A for any permit applied for through the Program when:

3.1.1.a. Determining the completeness of an application.

3.1.1.b. Denying a complete permit application.

3.1.1.c. Approving a complete permit application, or

3.1.1.d. Renewing a complete permit application.

3.1.2. Processing deadlines established in Attachment A shall become applicable and effective when the Secretary makes the Program available to the public pursuant to W. Va. Code §5A-13-3(c).

§148-25-4. Fast Track.

4.1. If a permitting agency offers fast track consideration, the agency deadline and associated fee to expedite the processing of a Program permit application is established in Attachment A to this rule.

4.1.1. Fast track fees included in Attachment A represent the total cost for filing the permit application and fast track processing combined.

4.2. Fast track deadlines and fees become applicable and effective when the secretary makes the Program available to the public pursuant to W. Va. Code §5A-13-3(c).

148-25-5. Refunds.

5.1. Beginning on January 1, 2027, any permitting agency failing to meet a deadline established in Attachment A when determining completeness, granting, or denying a permit that was processed through the dashboard, must refund all fees paid by the applicant for that permit.
