Application – An applicant for examination to become a licensed pharmacist shall apply in writing to the Board at least 15 days before the date of examination is to be conducted and shall transmit with the application the prescribed fee of \$125. The application shall be made on a form provided by the Board.

2.2. The requirements for application as a pharmacist are as follows:

2.2.1. An applicant shall be 18 years of age or older, proof of which shall be shown by birth certificate or other acceptable document.

2.2.2. An applicant shall present to the Board satisfactory evidence that he or she has not been convicted of a crime that bears a rational nexus to the practice of pharmacy. 2.2.3. An applicant shall present to the Board satisfactory evidence that he or she is a graduate of an approved school of pharmacy or has met the requirements for educational equivalency by obtaining a Foreign Pharmacy Graduate Examination Committee Certification through the program administered by the National Association of Boards of Pharmacy (NABP).

3.5. An applicant failing to achieve the required grade on each examination a second time may apply for licensure a second time and again have two chances to pass the examinations.

3.6. An applicant failing to achieve the required grade on each examination a third time must petition the board before making reapplication a third or any subsequent time. 5.1.3. Registration of a consultant pharmacist: \$20 for each application; and

5.1.4. Registration of a pharmacy technician: \$25 for the original registration; \$20 for

The renewal application shall be available on the Board's website, www.wvbop.com or a subsequent website, at least 30 days prior to June 30th or notification sent to renewal applicants with instructions for how to renew. If the applicant submits a renewal application by June 30 and has not received his or her license or registration by July 31, the applicant should contact the Board.

5.3. If any pharmacist, pharmacy intern, or pharmacy technician whose license or registration has expired fails to apply to the board for a renewal of his or her license or registration by August 31 of the year in which his or her authorization expires, the Board shall remove his or her name from the register of pharmacists, pharmacy interns, and pharmacy technicians.

If the pharmacist license or pharmacy technician registration has been expired for more than one year (i.e., the petition is received after June 30 of the year after his or her authorization expired), the board finds the person has submitted to the board satisfactory reasons for allowing the license or registration to lapse, and satisfies the board as to his or her qualifications to practice the profession by successfully passing the examinations administered or otherwise required by the board for reinstatement, the Board shall reinstate that person upon payment of reinstatement fee of \$250 for a pharmacist plus the renewal fee of \$100, or upon payment of a reinstatement fee of \$50 for a pharmacy technician plus the renewal fee of \$20.
