Hello WV OT Practitioner,

Please see information below regarding the **Public Comment Period** for a proposed Legislative Rule change.

The proposed amendments to the following Legislative Rule can be viewed at the link shown below or in the Upcoming Events section of our website, <https://wvbot.wv.gov>.

The Public Comment Period is open until midnight on July 12, 2026. Comments must be submitted in writing, and can be emailed to wvbot@wv.gov.

Title 13 Series 1 Administrative Rules of the Board of Occupational Therapy and Licensure of Occupational Therapists and Occupational Therapy Assistants

The Rule is being amended to reflect the change from a paper application process to an electronic process, define and document the use of the Supervisory Statement to reflect the supervisory relationship between an occupational therapist and occupational therapy assistant, remove the process of a temporary license which is no longer applicable with the electronic application process, reflect the acceptance of a digital license card, and a few other miscellaneous administrative changes.

The Board invites you to review and comment on the proposed changes to this Legislative Rule. Once we have reviewed, and made any changes as a result of the comments received, the Rule will be filed for introduction in the 2027 Legislative Session.
