3.6. *Protection, Facilities, and Assistance.* The home team shall furnish supervision. Outdoor facilities or playing facilities should be separated from the spectators by a restraining barrier (fence, wire, rope, etc.). Officials should be provided with a parking space, private dressing facilities not accessible to unauthorized personnel, and should be paid in a timely manner. The use of trained, competent, adult “assistant officials,” i.e., scorers, timers, chain and down marker crews, etc., is strongly recommended.

3.7. *Statement of Policy.* Insofar as unsportsmanlike actions by students, school administrators, officials, coaches, faculty members, and spectators are concerned, the identical items under the Sportsmanship Rule along with the following guides will be referred to by the WVSSAC:

3.7.a. The school whose coach behaves in a manner likely to have adverse influence on the attitudes of students or spectators may be provided with the choice of taking disciplinary action against that coach or having the entire school disciplined by the WVSSAC.

3.7.b. Any student who in protest lays hands or attempts to lay hands upon an official may be declared ineligible by the principal or by the WVSSAC for up to one year. Any student who strikes an opponent, coach, or a spectator during or following an athletic event may be declared ineligible by the principal or the WVSSAC for a specified period of time up to one year, depending on the seriousness of the act.

3.7.c. Any coach, player, team member, student, or bench personnel ejected or disqualified by rule or by an official, referee, judge, or other such person charged to administer participation, will be suspended for the remainder of a game, match, meet, contest or other interscholastic event, (ejected, disqualified, or disqualification hereafter) (excepting any applicable ejection or disqualification sport specific rule not involving sportsmanship). The coach, player, team member, student, or bench personnel ejected or disqualified will also be suspended an additional contest(s); the suspension is assessed based upon ten (10) percent of the allowed regular season contests for that sport. Regardless of when the suspension occurs (regular season or post season), the length of the suspension (number of contests) will

be as follows: golf (two); cross country (two); soccer (two); volleyball (two play dates); football (one); cheer (one); swim (two); wrestling (two weigh ins); boys basketball (two); girls basketball (two); tennis (two); track (two); softball (three); and baseball (three). The suspension will include the number of indicated contests in that sport and at that level and all other sport contests in the interim at any level. A second ejection or disqualification will result in the doubling of the suspension assessed for the first ejection. If an individual is ejected or disqualified for a third time during the same sport season, the individual will be suspended from participating or coaching for 365 calendar days from the date of ejection or disqualification. In accordance with Rule §127-3-15.3, an individual ejected or disqualified may not appeal that ejection or disqualification, but may appeal any subsequent suspension that is a consequence of the ejection or disqualification.

3.7.c.1. Any coach, player, or bench personnel who have been ejected shall not be permitted to attend any contest(s) during said suspension. This would include, but not be limited to, transportation to or from the contest, meeting with the team before, during, or after said contest. He/she is not permitted to be in sight or sound of said contest venue. Regular practice or team meetings not affiliated with a contest are permitted.

3.7.c.2. If suspensions are imposed to a student or bench personnel at the end of the sport season and no contest remains, the suspension is carried over to that particular sport until the next school year. In the case of a senior student, the penalty will continue to the next WVSSAC sponsored sport. In the case of an 8th grade student, the suspension shall be served either in the same sport the next school year or in the same school year in the next WVSSAC sponsored sport in which the student participates.

3.7.c.3. Any coach suspension that cannot be enforced during the sport season in which the ejection occurs will be enforced at the beginning of the next season of that same sport.

3.7.d. In case of spectators physically molesting an official, administrator, coach, or student, the school may be given one of two options: 1) file charges against the offender (s) or 2) accept discipline from the WVSSAC. Any person found guilty of W. Va. Code §61-2-15(a) Assault, Battery on Athletic Officials, while these individuals are working or as a result of working an athletic contest, shall be banned from all WVSSAC athletic events for a minimum of 365 days from the date of being found guilty. The school filing charges shall notify the WVSSAC of the incident and outcome of any legal action.

3.7.e. The school that does not lend complete cooperation in the host school's effort to promote the spirit of good sportsmanship may be disciplined by the WVSSAC.

3.7.f. A coach may be considered as committing unsportsmanlike conduct if they make degrading remarks about officials during or after a game either on the field of play, from the bench, or through any public news media, argues with officials, or goes through motions indicating dislike for a decision, protests the decision and actions of officials pertaining to the game during and after the contest, or detains the official on the field of play following a game to request a ruling or explanation of some phase of the game. If a coach feels he/she has a legitimate criticism of a penalty call or a request for a rule interpretation, such criticism or request should be made in the privacy of the coach's office or the official's quarters and should be made in a courteous manner.

3.7.g. In the event of an altercation, a student or team attendant shall not leave the bench area, team box area, or their designated off-field area during a game or contest other than during that time permitted by game or contest rules. A coach shall not leave the bench area, team box area, or the

127CSR4

designated off-field area during a game or contest other than during that time permitted by game or contest rules unless a student altercation is taking place and the official requests assistance. Violation of this rule shall cause the coach, student, or team attendant to be immediately ejected from the contest; the team penalized according to game or contest rules; and that coach, student, or team attendant will not be eligible to participate in the next contest as outlined in §127-4-2.3.

3.8. *Procedure.* Unsportsmanship action must be reported in detail to the WVSSAC. A copy of the complaint must also be filed with the principal of the school involved. Each principal involved shall report such information or answers to the report as they deem appropriate. Upon receipt of all reports, the Executive Director and/or the Board of Directors of the WVSSAC shall investigate and adjudicate such reports in accordance with the powers afforded in W. Va. §127CSR1, Constitution, sections 8.6, 8.7, 12.2, and 12.3. Penalties up to and including suspension of member schools may be made in accordance with §127CSR4.

3.9. *Appeals.* All cases involving disciplinary action against member schools, coaches, students, team attendants, or officials may be protested in accordance with W. Va. §127CSR6, Violations of the Rules (Rule §127CSR6). However, disciplinary action imposed by an official, including disciplinary action that is a consequence of a decision by an official, such as a suspension for an additional game or games as a consequence of an ejection, is governed by Rule §127CSR3, section 15.3, and is not subject to appeal.

3.10 *Review of Ejections.* Disciplinary action imposed by a contest official, including disciplinary action that results in a suspension for an additional game or games as a consequence of an ejection, is not subject to appeal pursuant to Rule §127CSR6. However, if the individual ejected believes the ejection was improper, he/she may request a review of the ejection by his/her principal. If the principal believes there is merit in the requested review, the principal shall complete and submit the WVSSAC Ejection Review Form within 24 hours or the next business day of the ejection to the Executive Director of the WVSSAC. If a review is properly requested, the WVSSAC will review the officials' special report, the WVSSAC Ejection Review Form, and such other information as the WVSSAC deems appropriate. Upon review, the WVSSAC Executive Director or the designated Assistant Director will either sustain the ejection and any consequent suspension(s) or will determine the ejection was improper and void any consequent suspension(s). A decision by the WVSSAC upon reviewing an ejection is not subject to appeal pursuant to Rule §127CSR6.
