TITLE 126
PROCEDURAL RULE
WEST VIRGINIA BOARD OF EDUCATION
CHAPTER 18-2
Series 44B
(Policy 2520.07)

TITLE: Criteria of Excellence: Instructional Goals And Objectives For Foreign Languages

Section 1 General

1.1 Scope - The State Board of Education recognizes that curricular programs in the public schools should be current, sequenced to build upon prior learning, and appropriate to the developmental needs of the learner.

1.2 Authority - West Virginia Code 18-2-5

1.3 Filing Date -

1.4 Effective Date -

1.5 Repeal of Former Rule - Procedural Rule 2422.01

Section 2 Instructional Goals

To operationalize the principles of excellence and equity, the Department of Education will develop and the State Board will approve instructional goals for each program of study prior to the adoption of textbooks. Instructional goals are comprehensive statements describing components crucial to the mastery of knowledge, skills, attitudes, and behaviors in individual programs of study.

Section 3 Instructional Objectives

The Department of Education will derive instructional objectives from approved goal statements. These instructional objectives will further define the knowledge, skills, attitudes, and behaviors so that learners may have the opportunity to develop in each program of study, thus providing both direction/uniformity to local school districts and the desired flexibility to use the instructional objectives appropriate to the specific needs of the district.

Section 4 Program Assurances

The Department of Education will consider instructional goals and objectives in the selection and adoption of textbooks and statewide student evaluation instruments.

Section 5 Professional Preparation Programs

Professional preparation programs and evaluation systems will be developed and implemented in a manner that (1) addresses the programs of study through approved instructional goals and recommended instructional objectives, and (2) the knowledge and skills required to successfully assist students in mastering those goals.

Section 6 Requirements for Local School Districts

The Board shall require local school districts, following adoption of the Program of Study: Instructional Goals, to: (1) review and revise county curriculum guides to include, but not be limited to, the state Program of Studies: Instructional Goals; (2) develop criteria from the newly adopted program for use in the selection of textbooks; and (3) provide direction to instructional staff to implement the adopted Program of Studies: Instructional Goals.

Section 7 Guidelines and Technical Assistance

Finally, the Department of Education will develop guidelines and provide technical assistance and leadership programs related to the implementation of this policy.
