

TITLE 126
PROCEDURAL RULE
WEST VIRGINIA BOARD OF EDUCATION
CHAPTER 18-2B
SERIES #4310

TITLE: POLICY REGARDING EYE, FACE, OR BODY SHIELD SAFETY DEVICES

Section 1. General

1.1 Scope - Established February 1, 1974, which states that appropriate industrial quality body shield safety devices shall be worn by every student, teacher or other persons in educational programs operated in West Virginia.

1.2 Authority - West Virginia Code 18-2B-2

1.3 Filing Date - September 10, 1974

1.4 Effective Date - November 9, 1974

Section 2. Wearing of Safety Devices

Effective September 1, 1974, appropriate industrial quality eye, face, or body shield safety devices shall be required to be worn by every student, teacher, or other persons in educational programs operated in the public schools of West Virginia when the instructional activities are such that students, teachers, or other persons are exposed to:

1. Hot molten metals or other molten materials.
2. Powered milling, sawing, turning, shaping, cutting, sanding, grinding, or stamping of any solid materials.
3. Heat treatment, tempering or kiln firing of any metal or other materials.
4. Gas or electric arc welding or other forms of welding processes and injurious radiations or other hazards not enumerated.
5. Caustic or explosive materials, and hot liquids or solids.

Section 3. Safety Devices Furnished by County

Appropriate eye, face, or body shield safety devices shall be provided by the county, and worn at all times by students, teachers, or other persons, upon entering a laboratory or shop for the purpose of participating or observing instructional activities of the above nature.

West Virginia Board of Education
Procedural Rule, 18-2B
Series #4310, Section 4

Section 4. Standards

All personal protective equipment and devices shall meet or exceed the minimum requirements under Sec. 6 of the Occupational Safety and Health Act of 1970 and specifically Subpart 1 of 29-CFR 1910 and the appropriate standards published by the American National Standards Institute and the National Fire Prevention Association and incorporated by reference under Sec. 6 of the Act (OSHA) shall govern the selection, maintenance and use of this equipment. -- 7/12/74
