Legislative Rule  
West Virginia Board of Education  
Article 18-2  
Series 4336A

Title:           Transportation of School Children Participating in Athletic,  
Literary and Band Activities

---

Section 1.    General

1.1    Scope - This legislative rule establishes rules and regulations governing the transportation of school children participating in athletic, literary and band activities.

1.2    Authority & Related Code Citation(s) - W. Va. Code 18-5-13(6);  
18-2-5

1.3    Filing Date - December 23, 1982

1.4    Effective Date - December 23, 1982

Section 2.    Requests

All boards of education exercising this authority to provide transportation for pupils participating in athletic, literary and band activities shall receive all requests from schools and arrange a county-wide schedule each semester of the school year.

Section 3.    Schedules

Schedules for extra-curricular activities approved by law shall not conflict with the regularly organized transportation schedule that provides transportation to and from school for all children.

Section 4.    Supervision

All buses operating on the extra-curricular activity schedule shall, in addition to the regularly employed driver, be supervised by a regularly employed member of the school staff.

Section 5.    Buses

Only those buses owned by the county board of education shall be used in providing this service to the various schools.

Section 6.    Drivers

Only drivers regularly employed by the board of education shall be used to operate buses while on trips away from their regularly scheduled routes.

Section 7.    Inservice

All buses used for extracurricular activities as defined in Sub-Section b, Section 13, Article 5, shall be covered by insurance as provided in Sub-Section 7 of the same article.

Section 8. Report

Each county extending this service to schools for extra-curricular activities shall file at the end of each calendar month a financial and statistical report on forms provided by the State Division of School Transportation.

Section 9. State Aid

State aid for transportation shall not be increased to cover extra costs incurred in service for extra-curricular activities as provided in Sub-Section 6, Section 13, Article 5, Chapter 18, as amended by act of Legislature 1945.
