**EXECUTIVE SUMMARY
WEST VIRGINIA DEPARTMENT OF EDUCATION**

Policy Number and Title:

Policy 4350
Procedures for the Collection, Maintenance and Disclosure of Student Data

Background:

Policy 4350 initially was developed to comply with the requirements of the Federal Educational Rights and Privacy Act (FERPA) and the Individuals with Disabilities Education Act (IDEA). All public schools and state education agencies are required to provide parents and eligible students with access to the student's education records and to protect the confidentiality of such records in accordance with FERPA and IDEA requirements. This policy revision incorporates changes mandated by Section 9528 of the *Elementary and Secondary Education Act (ESEA)* of 1965 (20 U.S.C. 7908), as amended by the *No Child Left Behind Act* of 2001 (P.L. 107-110), and 10 U.S.C. 503, as amended by Section 544, the *National Defense Authorization Act for the Fiscal Year 2002* (P.L. 107-107). These federal mandates require county boards of education to provide military recruiters, upon request, with the names addresses and telephone listings of secondary school students unless the parents/guardians have advised the county board of education that they do not want their child's information disclosed without prior written consent.

Proposals:

Revisions to Policy 4350 are being recommended in response to the requirements of federal legislation, as set forth above. Specifically, § 30 of Policy 4350 explains that all county boards of education are required to provide military recruiters, upon request, with the names addresses and telephone listings of secondary school students unless the parents/guardians have advised the county board of education that they do not want their students' information disclosed without prior written consent as set forth in § 23. Section 23.4 requires that all county boards of education shall, at a minimum, establish that the names, addresses, and telephone listings of secondary school students are designated as directory information for the purposes of providing the information to military recruiters. Further, § 23.3.2 has been revised to clarify that parents shall be notified of their right to refuse to permit the designation of names, addresses, and telephone listings of their children as directory information for purposes of providing the information to military recruiters. Section 31 adds a severability clause to the policy, indicating that if any provision of the rule or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the rule. This is standard in all new policies. Grammatical and formatting changes throughout the policy also were made.

Impact:

The proposed revisions will ensure that county boards of education are in compliance with federal legislation requiring that they provide to military recruiters, upon request, access to the names, addresses, and telephone numbers of secondary school students. Schools that do not comply with these requirements jeopardize their receipt of ESEA funds. Though some parents and students will disagree with the changes to this policy, the federal legislation does not allow for schools and counties to disregard these disclosure requirements.

Response to Comments:

The public comment period for Policy 4350 closed August 9, 2003. Only one public comment was received. The individual making the comment expressed his belief that parents should be required to sign a release form before information about their children is provided to the military. However, joint correspondence from the United States Department of Education and the United States Department of Defense to Chief State School Officers on July 2, 2003, specifically provides that the referenced laws "do not permit LEAs to institute a policy of not providing the required information unless a parent has affirmatively agreed to provide the information." (Emphasis in original).

In response to concerns raised by State Board members, § 23.3.2 has been revised to clarify that parents shall be notified of their right to refuse to permit the designation of names, addresses, and telephone listings of their children as directory information for purposes of providing the information to military recruiters.

§126-94-2. Purpose.

2.1. The purpose of these procedures is to set forth the conditions governing the protection of privacy and access of parents and students as it relates to the collection, maintenance, disclosure and destruction of education records by agencies and institutions under the general supervision of the West Virginia Board of Education.

§126-94-3. Definitions.

3.1. As used in these procedures:

3.1.1. "Attendance" at an agency or institution includes, but is not limited to: (a) attendance in person and having homebound instruction, and (b) the period during which a person is working under a work-study program.

126CSR94

3.1.2. "Consent" means that (a) the parent has been fully informed of the information set out in this document in his or her native language or other mode of communication, unless it clearly is not feasible to do so; (b) the parent understands and agrees in writing to the carrying out of the activity for which consent is sought, and the consent sets forth that activity and lists the records (if any) which will be released and to whom; and (c) the parent understands that the granting of consent is voluntary on the part of the parent.

3.1.3. "Destruction" means physical destruction or removal of personal identifiers so that the information is no longer personally identifiable.

3.1.4. b. Records of the law enforcement unit of an educational agency or institution, subject to the provisions of Section 126-94-7.

c. Records relating to an individual who is employed by an educational agency or institution that are made and maintained in the normal course of business; relate exclusively to the individual in that individual's capacity as an employee, and are not available for use for any other

126CSR94

purpose. However, records relating to an individual in attendance at the agency or institution who is employed as a result of his or her status as a student are education records and are not excepted.

d. Records relating to an eligible student that are:

A. Created or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional or assisting in a paraprofessional capacity;

B. Created, maintained, or used only in connection with the provision of treatment to the student; and

C. Disclosed only to individuals providing the treatment (provided that the records can be personally reviewed by a physician or other appropriate professional of the student's choice). For the purpose of this definition, "treatment" does not include remedial educational activities or activities that are a part of the program of instruction at the educational agency or institution.

e. Records of an educational agency or institution that contain only information related to a person after that person is no longer a student at the educational agency or institution. (An example would be information collected by an educational agency or institution pertaining to the accomplishments of its alumni).

126CSR94

student in the absence of a parent or guardian.

3.1.14. "Party" means an individual, agency, institution or organization.

3.1.18. "Student" includes any individual who is or has been in attendance at an educational agency or institution, and regarding whom the educational agency or institution collects, maintains, or discloses educational records.

§126-94-4. Parent Rights.

4.1. An educational agency or institution shall give full rights to either parent unless the agency or institution has been provided with evidence that there is a court order, state statute, or legally binding document relating to such matters as divorce, separation or custody, that specifically revokes those rights.

§126-94-5. Student Rights.

5.1. For the purpose of this part, whenever a student has attained eighteen years of age, or is attending an institution of post-secondary education, the rights accorded to and the consent required of the parents transfer to the student.

5.2. This policy does not prevent educational agencies or institutions from giving students rights in addition to those given to parents.

5.3. If an individual is or has been in attendance at one component of an educational agency or institution, that attendance does not give the individual rights as a student in other components

126CSR94

of the agency or institution to which the individual has applied for admission, but has never been in attendance.

§126-94-6. Annual Notification of Rights.

6.1. Each educational agency or institution shall annually notify parents of students currently in attendance, or eligible students currently in attendance, of their rights under this policy.

6.2. The notice must inform parents or eligible students that they have the right to:

6.2.1. Inspect and review the student's education records;

6.2.2. Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights;

6.2.3. Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that Section 126-94-16 authorizes disclosure without consent; and

6.2.4. File with the U.S. Department of Education a complaint as described in Section 126-94-27 concerning alleged failures by the educational agency or institution to comply with the requirements of this policy.

6.3. The notice must include all of the following:

6.3.2. The procedure for requesting amendment of records under Section 126-94-12;

6.3.3. A specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest;

6.3.4. Types of information designated as directory information and procedures in Section 126-94-23 for refusing to allow information to be so designated; and

6.3.5. The procedure for disclosure of education records without consent to officials of another school district in which the student seeks to enroll.

6.4. An educational agency or institution may provide this notice by any means that are reasonably likely to inform the parents or eligible students of their rights.

126CSR94

6.4.1. An educational agency or institution shall effectively notify parents or eligible students who are disabled.

6.4.2. An agency or institution of elementary or secondary education shall effectively notify parents who have a primary or home language other than English.

6.5. Parents of exceptional students, and eligible students who are exceptional, shall receive notice of rights under IDEA, included in the procedural safeguards notice.

§126-94-7. Law Enforcement Units.

7.1. Law enforcement unit means any individual, office, department, division, or other component of an educational agency or institution, such as a unit of commissioned police officers or non-commissioned security guards, that is officially authorized or designated by that agency or institution to:

7.1.1. Enforce any local, state, or federal law, or refer to appropriate authorities a matter for enforcement of any local, state, or federal law against any individual or organization other than the agency or institution itself; or

7.1.2. Maintain the physical security and safety of the agency or institution.

7.2. A component of an education agency or institution does not lose its status as a law enforcement unit if it also performs other, non-law enforcement functions for the agency or institution, including investigation of incidents or conduct that constitutes or leads to a disciplinary action or proceedings against the student.

7.3. Records of a law enforcement unit means those records, files, documents, and other materials that are:

7.3.1. Created by a law enforcement unit;

7.3.2. Created for a law enforcement purpose; and

7.4. Records of a law enforcement unit does not mean:

7.4.1. Records created by a law enforcement unit for a law enforcement purpose that are maintained by a component of the educational agency or institution other than the law enforcement unit; or

126CSR94

7.4.2. Records created and maintained by a law enforcement unit exclusively for a non-law enforcement purpose, such as a disciplinary action or proceeding conducted by the educational agency or institution.

7.5. Nothing in this policy prohibits an educational agency or institution from contacting its law enforcement unit, orally or in writing, for the purpose of asking that unit to investigate a possible violation of, or to enforce, any local, state, or federal law.

7.5.1. Education records, and personally identifiable information contained in education records, do not lose their status as education records and remain subject to this policy including the disclosure provisions of Section 126-94-15 while in the possession of the law enforcement unit.

7.5.2. Disclosure by an educational agency or institution of its law enforcement unit records is neither required nor prohibited by this policy.

§126-94-8. Right to Inspect and Review Education Records.

8.1. Each educational agency or institution or state educational agency (hereinafter SEA) and its components shall permit the parent or an eligible student to inspect and review the education records of the student.

8.2. The educational agency or institution, or SEA or its component, shall comply with a request for access to records within a reasonable period of time, but not more than 45 days after it has received the request.

8.3. The educational agency or institution, or SEA or its component, shall respond to reasonable requests for explanations and interpretations of the records.

8.4. When a request is being made regarding records of an exceptional student:

8.4.1. The agency shall comply with Section 126-94-8.2 and before any meeting regarding an IEP or any hearing relating to the identification, evaluation, or educational placement of the student, or the provision of free appropriate public education to the student;

8.4.2. The right to inspect and review education records of an exceptional student includes the right to have a representative of the parent inspect and review the records; and

8.4.3. The participating agency shall provide parents, upon request, a list of the types and locations of education records collected, maintained, or used by the agency.

8.5. If circumstances effectively prevent the parent or eligible student from exercising the

126CSR94

right to inspect and review the student's education records, the educational agency or institution, or SEA or its component, shall:

8.5.1. Provide the parent or eligible student with a copy of the records requested; or

8.5.2. Make other arrangements for the parent or eligible student to inspect and review the requested records.

8.6. The educational agency or institution, or SEA or its component, shall not destroy any education records if there is an outstanding request to inspect and review the records under this section.

8.7. While an educational agency or institution is not required to give an eligible student access to treatment records as defined in Section 126-94-3.1.8.d., the student may have those records reviewed by a physician or other appropriate professional of the student's choice.

§126-94-9. Fees.

9.1. An educational agency or institution may charge a fee for copies of educational records, which are made for the parent or eligible student, provided that the fee does not effectively prevent the parent and/or eligible student from exercising the right to inspect and review those records.

9.2. An educational agency or institution may not charge a fee to search for or retrieve the education records of a student.

§126-94-10. Limitations on Right to Inspect and Review Education Records.

10.1. If the education records of a student contain information on more than one student, the parent of the student or the eligible student may inspect and review or be informed of only the specific information about that student.

10.2. A post-secondary institution does not have to permit a student to inspect and review education records that are:

10.2.1. Financial records, including any information those records contain, of his or her parents;

10.2.2. Confidential letters and confidential statements of recommendation placed in the education records of the student before January 1, 1975, as long as the statements are used only for the purposes for which they were specifically intended; and

126CSR94

10.2.3. Confidential letters and confidential statements of recommendation placed in the student's education records after January 1, 1975, if the student has waived his or her right to inspect and review these letters and statements and the letters and statements are related to the student's admission to an educational institution, application for employment or receipt of an honor or honorary recognition. Provided that a waiver is valid only if:

- a. The educational agency or institution does not require the waiver as a condition for admission to or receipt of a service or benefit from the agency or institution; and
- b. The waiver is made in writing and signed by the student, regardless of age.

10.2.4. If a student has waived his or her rights under this section, the educational institution shall:

- a. Give the student, on request, the names of the individuals who provided the letters and statements of recommendation; and
- b. Use the letters and statements of recommendation only for the purpose for which they were intended.

10.2.5. A waiver under this section may be revoked in writing with respect to any actions occurring after the revocation.

§126-94-11. Maintenance and Destruction of Education Records.

11.1. An educational agency or institution is not precluded from destroying education records, subject to the following exceptions:

11.1.1. The agency or institution may not destroy any education records if there is an outstanding request to inspect and review them under Section 126-94-8;

11.1.2. Explanations placed in the education record under Section 126-94-13, shall be maintained as long as the record or the contested portion is maintained;

11.1.3. The record of access required under Section 126-94-18 shall be maintained for as long as the education record to which it pertains is maintained; and

11.1.4. For records collected for exceptional students under Policy 2419, a. the public agency shall inform parents when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to the child; b. the information must be destroyed at the request of the parents; c. however, a permanent record of a student's name, address,

126CSR94

and phone number, his or her grades, attendance record, classes attended, grade level completed, and year completed may be maintained without time limitation.

11.2. The following shall apply to the length of time and special consideration for maintaining student records:

11.2.1. Directory information may be maintained in perpetuity;

11.2.2. Academic grades and attendance records may be maintained in perpetuity;

11.2.3. Records to verify implementation of federally funded programs and services and to demonstrate compliance with program requirements must be maintained for five years after the activity is completed;

11.2.4. Other personally identifiable data which is no longer needed to provide education services may be destroyed;

11.2.5. Parents and eligible students must be informed through public notice of any timelines established by the educational agency or institution for maintenance and destruction of student records; and

11.2.6. Files must be maintained in a secured location. Electronic files must be protected through the use of individual user identification and/or passwords. When user identification and/or passwords have been established, an individual is permitted to use only his or her designated identification and password to gain access to education records.

§126-94-12. Request to Amend Education Records.

12.1. The parent of a student or an eligible student who believes that information contained in the education records of the student is inaccurate, misleading or violates the privacy rights of the student may request the educational agency or institution to amend the record.

12.2. The educational agency or institution shall decide whether to amend the educational records of the student in accordance with the request within a reasonable period of time after it receives the request.

12.3. If the educational agency or institution decides not to amend the record as requested, it shall inform the parent of the student or the eligible student of the refusal and of the right to a hearing under Section 126-94-13.

§126-94-13. Right to a Hearing.

126CSR94

13.1. An educational agency or institution shall give a parent or eligible student, on request, an opportunity for a hearing to challenge the content of a student's education records on the grounds that information contained in the education records of the student is inaccurate, misleading or otherwise in violation of the privacy rights of the student.

13.2. If, as a result of the hearing, the educational agency or institution decides that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the student, it shall amend the education records of the student accordingly and so inform the parents of the student or the eligible student in writing.

13.3. If, as a result of the hearing, the educational agency or institution decides that the information is not inaccurate, misleading or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place in the education records of the student a statement commenting on the contested information in the record and/or stating why he or she disagrees with the decision of the agency or institution.

13.4. Any explanation placed in the education records of the student under Section 126-94-13.3 shall:

§126-94-15. Prior Consent for Disclosure Required.

15.1. An educational agency or institution shall obtain written consent of the parent of a student or the eligible student before disclosing personally identifiable information from the education records of a student, other than directory information, except as provided in Section 126-94-16.

15.2. Whenever written consent is required, an educational agency or institution may presume that the parent of the student or the eligible student giving consent has the authority to do so unless the agency or institution has been provided with evidence that there is a legally binding instrument or a court order governing such matters as divorce, separation or custody, which provides to the contrary.

15.3. The written consent required by Section 126-94-15.1 must be signed and dated by the parent of the student or the eligible student giving the consent and shall include:

15.3.1. A specification of the records to be disclosed;

15.4. If a parent or eligible student so requests, the educational agency or institution shall provide a copy of the records disclosed.

15.5. If the parent of a student who is not an eligible student so requests, the educational agency or institution shall provide the student with a copy of the records disclosed.

§126-94-16. Prior Consent for Disclosure Not Required.

126CSR94

16.1. An educational agency or institution may disclose personally identifiable information from the education records of a student without the written consent of the parent of the student or the eligible student if the disclosure is:

16.1.1. To other school officials, including teachers, within the educational agency or institution who have been determined by the agency or institution to have legitimate educational interest; and

- b. to determine the amount of the financial aid;
- c. to determine the conditions which will be imposed regarding the financial aid; and
- d. to enforce the terms or conditions of the financial aid.

16.1.5. To state and local officials or authorities to whom this information is specifically:

a. Allowed to be reported or disclosed pursuant to state statute adopted before November 19, 1974, if the allowed reporting or disclosure concerns the juvenile justice system and the system's ability to effectively serve the student whose records are released; or

16.1.6. To organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of (a) developing, validating, or administering predictive tests; (b) administering student aid programs, or improving instruction; provided, that the studies are conducted in a manner that will not permit the personal identification of students and their parents by individuals other than representatives of the organization and the information will be destroyed when no longer needed for the purposes for which the study was conducted; the term "organizations" includes, but is not limited to federal, state, and local agencies, and independent organizations.

16.1.7. To accrediting organizations in order to carry out their accrediting functions.

16.1.8. To parents of a dependent student.

§126-94-30. Release of List of High School Students to Military Recruiters.

I had a wonderful military career, but the recruiter was located uptown and I had to go to him. So let the students go and visit the recruiters if they have questions and let's not have the military becoming telemarketers and placed on a "Do Not Call" list. Please invite the military to Career Days as we do the colleges and universities and if any school does not have a Career Day, please consider requiring all schools to hold such an event. I do not approve of providing personal data of students to the military recruiters.
