PROFESSIONAL/PARAPROFESSIONAL PERSONNEL AND
ADVANCED SALARY CLASSIFICATIONS**

EXECUTIVE SUMMARY

Public Comment Period Ends: November 23, 2001

Background:

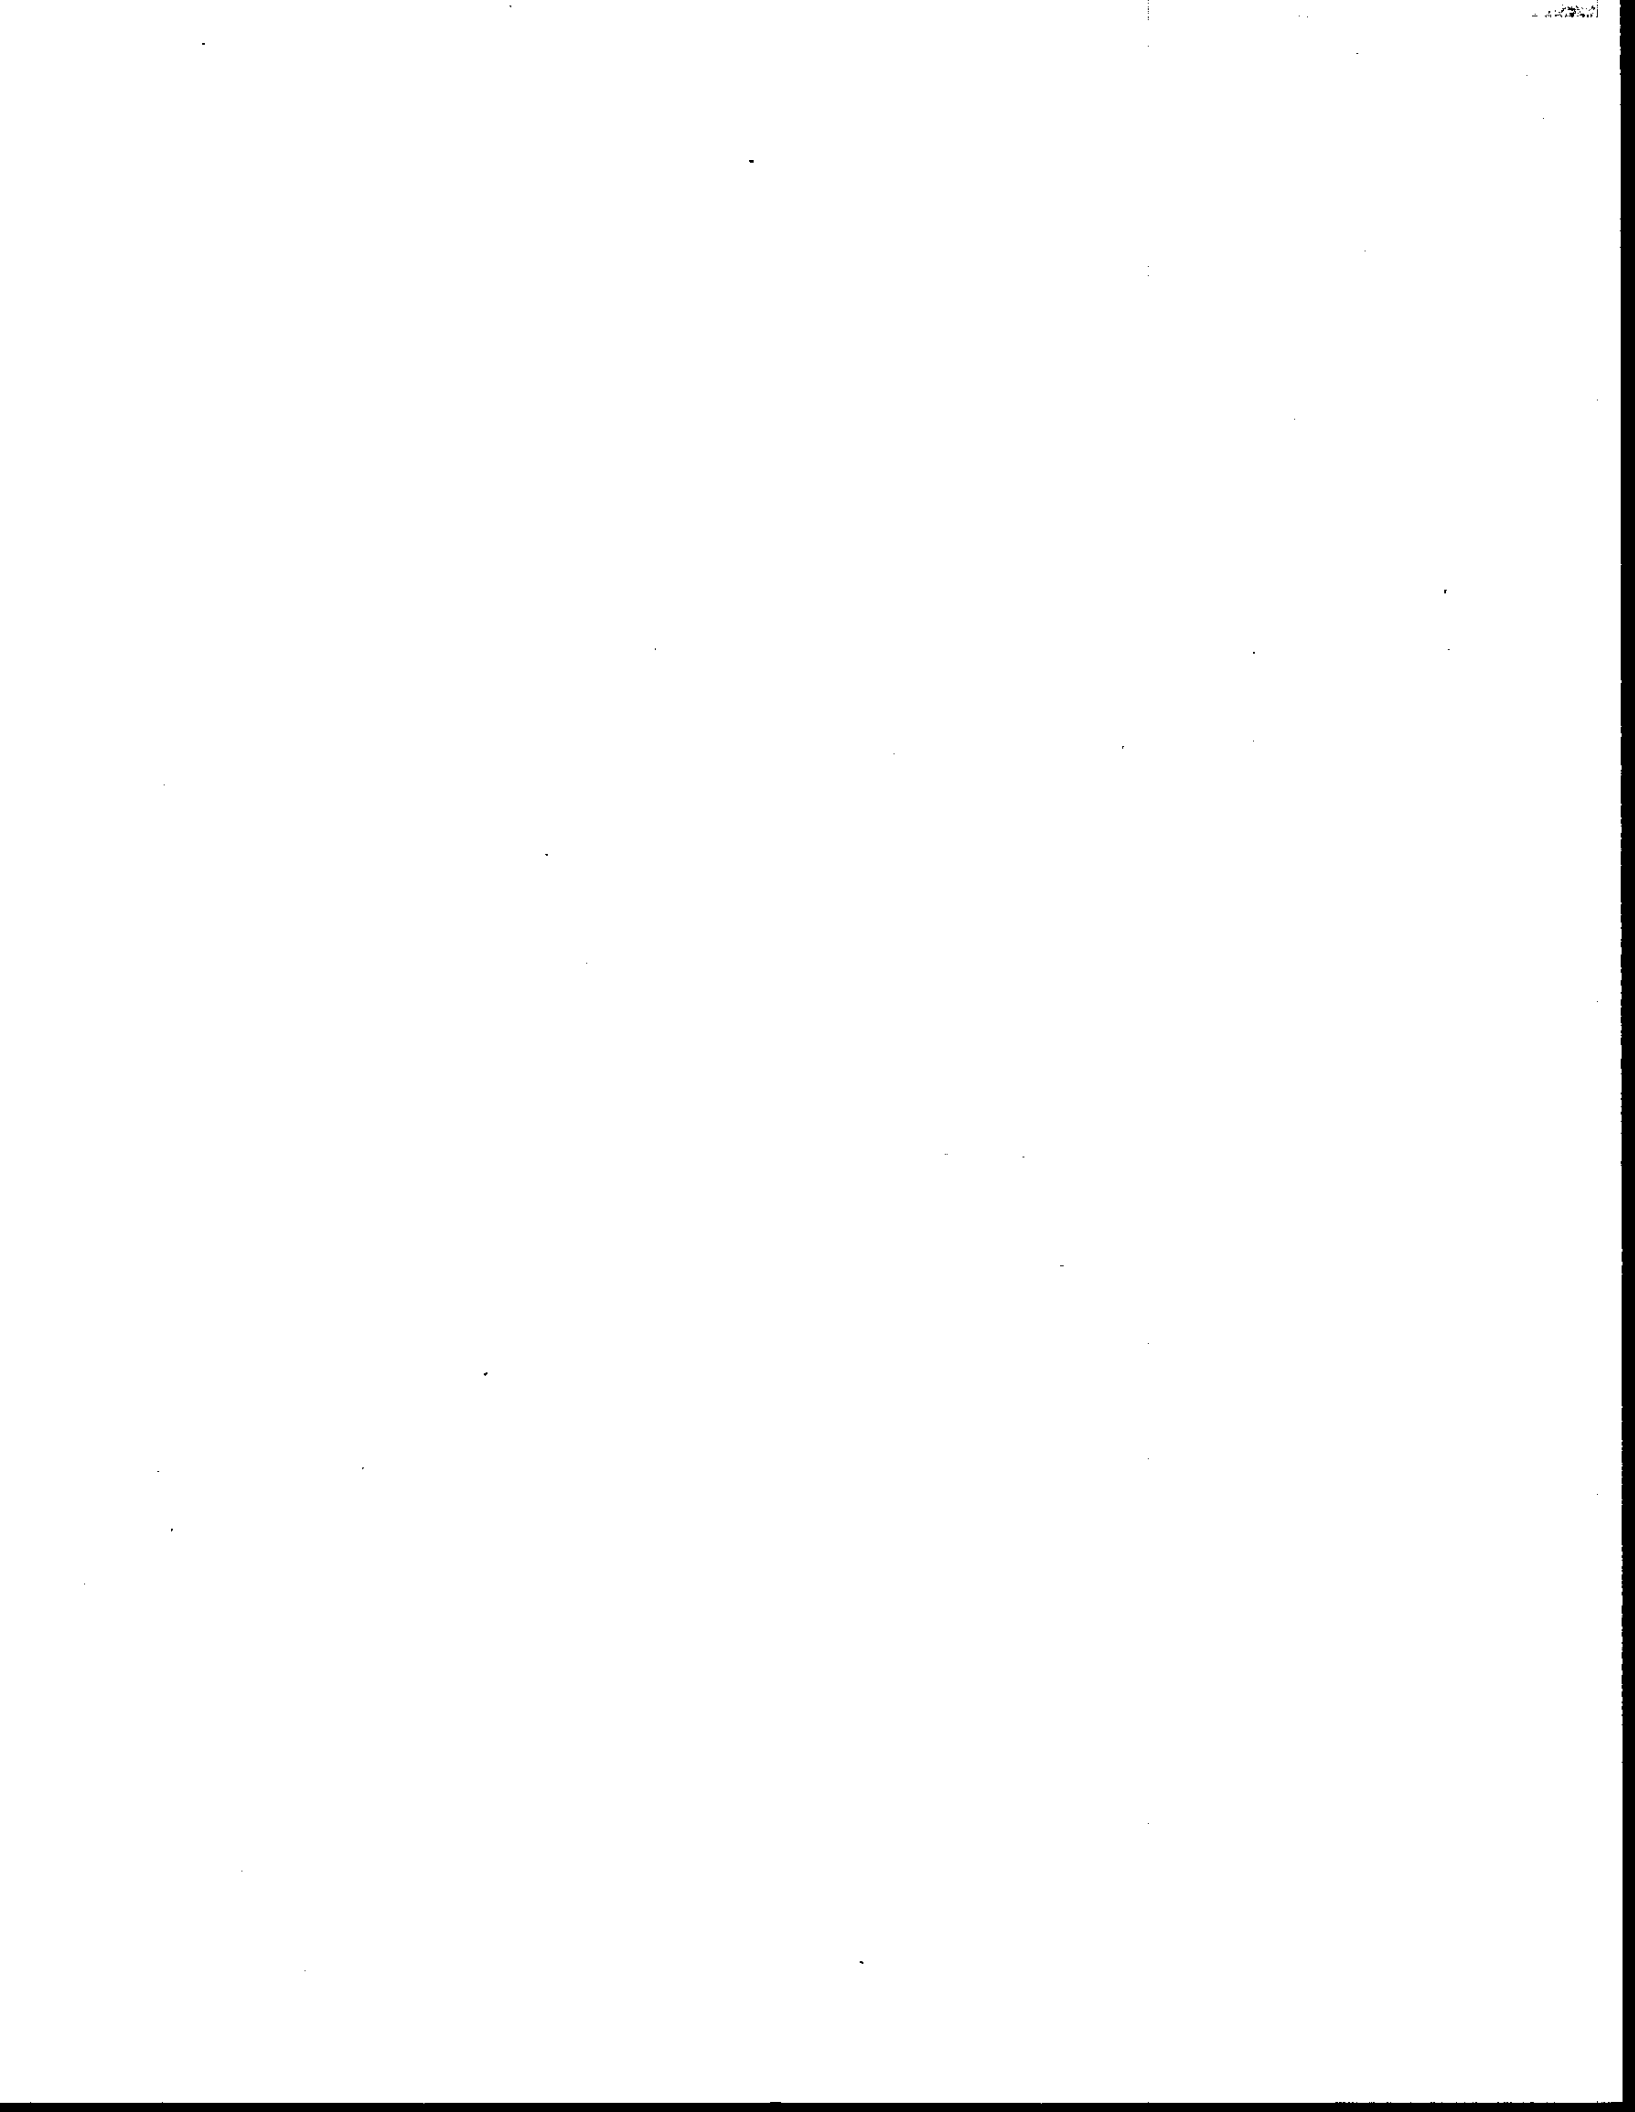

During the 2001 legislative session, two bills were passed which required changes to Policy 5202. Senate Bill 227 requires provisions for the issuance of a First-Class Permit for superintendents. House Bill 3049 requires provisions for the fingerprinting of applicants for any initial license issued by the West Virginia Department of Education. The proposed amendments comply with these pieces of legislation. Additional amendments are being proposed as a result of the Office of Professional Preparation's work with county personnel directors, the Teacher Education Advisory Committee, and the West Virginia Commission for Professional Teaching Standards and as a result of information obtained from the supply and demand forums conducted during the summer of 2000. Several amendments, including those relevant to Substitute Permits, reflect changes included in executive memos previously approved by the West Virginia Board of Education.

Recommended Revisions

Information contained in either record may form the basis of the denial of a certificate for just cause.
- Exempt criminal history record information obtained under the provisions of §18-3-10 from Freedom of Information Act provisions but allow for the disclosure of information in a statistical or other form which does not identify the individuals involved or provide personal information

- Require applicants for initial licensure to submit a fee of \$49. This shall cover the \$24 cost of the Federal Bureau of Investigation check and the \$10 cost of the state criminal history record check as required by West Virginia Code §18-3-10 in addition to the current \$15 application processing fee.
