Secretary of State

FROM: *HM* Henry Marockie
State Superintendent of Schools

SUBJECT: Repeal of State Board Policy 6250

DATE: October 23, 1989

State Board Policy 6250, Series 173, restricted the use of ESEA Title I funds for construction or minor remodeling. It is recommended that the policy be repealed. Since its adoption, the Federal program it addresses has been revised twice and is no longer referred to as ESEA Title I. Additionally, the two programs that evolved from ESEA Title I, ECIA Chapter I and ESSIA Chapter I, have been used for minor remodeling and limited construction when it appeared appropriate.
