Dear Mr. Manchin:

This is notification of approval of rules and regulations in accordance with Section 11, Article 3, Chapter 29A of the West Virginia Code.

On May 7, 1979, the Legislative Rule-Making Review Committee approved regulations submitted by the Medical Licensing Board on physicians assistants and on mobile intensive care paramedics; by the Board of Investments on administration of the consolidated fund; by the State Board of Examiners of Land Surveyors; by the Department of Employment Security on secrecy of tax information; by the Department of Agriculture on equine infectious anemia and restricted use pesticides; and by the Water Development Authority on amended requirements governing disbursement of loans and grants to governmental agencies for the acquisition or construction of water development projects.

Two sets of regulations were withdrawn by the submitting agencies. These regulations were the Department of Mines' regulations concerning standards for coal mine underground electricians and the Board of Investments' regulations concerning selection of state depositories for demand deposits through competitive bidding.

A copy of the approved regulations and the withdrawn regulations is attached.

Very truly yours,

Robert M. Steptoe
