2. Explanation of Above Estimates: We feel that no additional costs will be incurred with this rule. We currently have staff working on the collection of delinquent accounts. We may incur a small expense for costs of any hearing held. However, based on past experience we do not feel many hearings will be requested. Additionally, we anticipate that any costs incurred as a result of the rule will be offset by additional amounts collected from employers in default.
3. Objectives of These Rules: This rule is an attempt to meet the legislative requirements contained in W. Va. Code §21A-2-6(17). It identifies the Division of Environmental Protection as an agency of the State that must review appropriate databases in an attempt to keep from granting, issuing, or renewing contracts, licenses, permits, certificates, or other authority to conduct a trade, profession, or business to or with employing units that are in default with the Commissioner of the Bureau of Employment Programs. The rule attempts to provide a simple procedure to insure the legislative requirements are met while limiting the impact the requirements may have on the Division and the employer community.

Rule Title: Title 96

4. Explanation of Overall Economic Impact of Proposed Rule:

- A. Economic Impact on State Government:
It is expected that the impact of the rule will lead to increased collection of defaulted unemployment compensation taxes and related interest and penalties.

- B. Economic Impact on Political Subdivisions; Specific Industries; Specific Groups of Citizens: Collecting amounts from those employers that are in default should help reduce the potential burden of increased tax rates on those employers that do make required payments.

- C. Economic Impact on Citizens/Public at Large.
This rule will not have a direct economic impact on the citizens of West Virginia.

TITLE 96, SERIES 1

BRIEF SUMMARY OF THE RULE

This rule implements the provisions of West Virginia Code §21A-2-6(187) by specifically identifying the Division of Environmental Protection as one of the many agencies that is required to revoke or to withhold the approval, issuance, or renewal, of any contract, license, permit, certificate, or other authority to conduct a trade, profession, or business to or with any employing unit whose account is in default with the Commissioner of the Bureau of Employment Programs with regards to ~~workers' compensation premium taxes and~~ unemployment compensation taxes. The rule provides for the review of appropriate databases, or lists, to determine if the subject employer, or agency, is in default. It also provides a due process procedure allowing employers, or agencies, notice to contest the fact of default when the fact of default has not previously been established or the employer has not had the opportunity to contest the amount.

STATEMENT OF CIRCUMSTANCES WHICH REQUIRE THE PROPOSED RULE AMENDMENT

West Virginia Code §21A-2-6(187) requires the Commissioner ~~with the approval of the Compensation Performance Council,~~ to promulgate rules "under which agencies of this state shall not revoke or refuse to grant, issue, or renew any contract, license, permit, certificate, or other authority to conduct a trade, profession, or business to or with any employing unit whose account is in default with the commissioner with regard to the administration of this chapter and with regard to the administration of chapter twenty-three of this code...." Moreover, ~~it allows the Commissioner to promulgate the rules in phases so that different agencies become subject to the rules at different times. However, rules subjecting all agencies to its requirements are to be promulgated no later than the first day of January, two-thousand.~~ On July 1, 2003, Senate Bill No. 2013 was passed and became effective from passage. The amendments to this proposed rule update the rule in accordance with the new version of §21A-2-6(17) of the West Virginia Code.
