THIS DATE 12-30-82
Administrative Law Division

Honorable A. James Manchin
Secretary of State
Capitol Building
Charleston, West Virginia 25305

Dear Secretary Manchin:

Attached are two (2) copies, in ring binders, of the total set of regulations legally promulgated over the years by the West Virginia Department of Agriculture and presently in force. We are submitting them for refiling as per the revised Chapter 29-A.

They are coded as being either Legislative, Interpretative or Procedural. All are Legislative except one set on expense accounts and another on the conduct of hearings before the Commissioner which are procedural. We have no interpretative regulations at this time.

These sets are machine copy sets of the regulations. In general, authority for these regulations (chapter, etc.) is provided in the regulation itself. We have kept the series numbers presently in use and previously approved to avoid confusion amongst those using them. The index is, however, abundantly clear.

By this letter I hereby certify that these regulations are machine copies of those in force at the present time.

Sincerely,

William H. Gillespie
Assistant Commissioner
