extenuating circumstances are shown, which the State Fire
Commission or hearing examiner considers adequate.

11.08. Absence of Petitioner or Counsel at the
Scheduled Hearing - A hearing shall not be delayed or continued
due to the absence of the petitioner or his legal counsel at a

hearing shall proceed and the case shall be submitted for de-

11.09. Hearing Examiner - Any member of the State Fire

duction of documentary evidence may be required through the use
of subpoenas and subpoenas duces tecum. Subpoenas or subpoenas
duces tecum may be issued at the request of the petitioner, the
State Fire Marshal, or of the State Fire Commission, and shall be
issued by and in the name of the State Fire Commission.

Every subpoena and/or subpoena duces tecum is
required to prove service at least five (5) days before the
return date thereof, either by personal service made by any

person eighteen (18) years of age, or older, or by registered or certified mail, but a return acknowledgement signed by the person to whom the subpoena or subpoena duces tecum is directed is required to prove service by registered or certified mail.

Any party requesting a subpoena or subpoena duces tecum must see that it is properly served. Service of a subpoena or subpoena duces tecum issued at the insistence of the State Fire Commission is the responsibility of the Commission.

Any public official who serves any subpoena or subpoena duces tecum is entitled to the same fee as a Sheriff who serves a witness subpoena for a circuit court of this state; and fees for the attendance and travel of witnesses are the same as for witnesses before the circuit courts of this state. All fees shall be paid by the State Fire Commission if the subpoena or subpoena duces tecum is issued at the instance of the Commission. All fees related to any subpoena or subpoena duces tecum issued at the instance of the petitioner or the State Fire Marshal shall be paid by the party requesting such subpoena or subpoena duces tecum.

A request for a subpoena or subpoena duces tecum shall be in writing and shall contain a statement acknowledging that the requesting party agrees to pay the required fee.

Any person receiving a subpoena or subpoena duces tecum issued hereunder shall honor the same as though it were issued by a circuit court of the state, and shall appear as a witness and/or produce such books, records, or papers in response to such subpoena or subpoena duces tecum. In case of disobedience or

neglect of any subpoena or subpoena duces tecum served on any person or the refusal of any witness to testify to any matter regarding which he or she may be lawfully interrogated, the circuit court of the county in which the hearing is being held, upon application by the State Fire Commission, shall compel obedience by attachment proceedings for contempt as in the case of disobedience of the requirements of a subpoena or subpoena duces tecum issued from such circuit court or a refusal to testify therein.

11.11. Evidence

(a) All witnesses appearing at a hearing shall testify under oath or affirmation. Every adverse party shall have the right to cross-examination witnesses who testify, and shall have the right to submit rebuttal evidence.

(b) All relevant and material evidence, including papers, records, agency staff memoranda and documents in the possession of the State Fire Commission or the State Fire Marshal of which either party desires to avail himself, may be offered and made a part of the record in the case.

(c) Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. Except as otherwise herein stated, the rules of evidence as applied in civil cases in the circuit courts of this state shall be followed in considering the admissibility of evidence. However, when necessary to ascertain facts not reasonably susceptible of proof under those rules, reasonably authenticated evidence not admissible thereunder may

be admitted, except where precluded by the official code of W.V. or privilege, if it is of a type commonly relied upon by reasonably prudent men in the conduct of their affairs.

11.12. Record of Proceeding - All of the testimony, evidence and rulings on admissibility of evidence at any hearing shall be recorded by a certified court reporter. An official record of the hearing will be prepared by the State Fire Commission, but a transcript shall only be required if this Commission's final decision is appealed. The cost of the transcript shall be paid by the party requesting it.

11.13. Informal Disposition - At any stage of the proceedings, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order, or default.

11.14.
