Section 3. Regulations for Medical Examination

3.01. Qualifications.--

- (a) Preliminary Education.--At least two years of academic work of collegiate grade in a standard college of arts and sciences of equal rank with the College of Arts and Sciences of West Virginia University. (A certified transcript of premedical education must accompany application.)
- (b) Medical Education.--Graduation from a Class A medical school as classified by the Council on Medical Education and Hospitals of the American Medical Association; or graduation from a foreign medical school, provided original diploma of graduation is presented with application to be authenticated by the Medical Licensing Board, and provided further that graduate is a citizen of the United States, or can present evidence of his declaration of intention and shows progress toward becoming a citizen of the United States. (A photocopy of applicant's medical diploma must accompany application.)
- (c) Birth Certificate.--Each application must be accompanied by a certified copy of applicant's birth certificate, other satisfactory documentary evidence of citizenship in the United States, or applicant's Declaration of Intention toward becoming a citizen of the United States.

3.02. Submission of Application.--All applications must be in the office of the Secretary of the Medical Licensing Board of West

Virginia, State Office Building, 1800 Washington Street,
Charleston, West Virginia, 25305, sixty days prior to the
examination. The filing of an application does not entitle
an applicant to practice. The only legal authority for
practicing is a certificate from the Medical Licensing Board.

3.03. Documents.--All documents submitted as evidence of eligibility
for licensure must be properly signed and under the seal of
the issuing authority. This evidence becomes the property
of the State as a part of the permanent records of the Medical
Licensing Board and will not be returned.

3.04. Fee.--A check or money order of \$100.00 must accompany each
application, \$25.00 of which shall be retained by the Board
in the event an application is withdrawn or rejected. The
examination fee will not be returned if a certificate is refused,
but applicant is entitled to reexamination without further cost
at either the first or second succeeding examination conducted
by the Board. One such examination exhausts this privilege
under the original application.

3.05. Rules of Examination.--

- (a) Examination manuscripts are furnished by the Board.
- (b) After finishing each section, write your name and number
on front cover.
- (c) One and one-quarter hours are allowed for each section.
- (d) Applicants are not permitted to leave the hall during an
examination.

- (e) Upon finishing a section, applicants shall at once hand in their manuscripts to the examiner and retire from the room.
- (f) A general average of 75 per cent entitles applicant to licensure.

3.06. Disqualification of applicant.-- Any applicant detected giving or receiving help will be summarily dismissed from the examination. All fees will be forfeited and the Medical Licensing Board will consider the applicant thereafter ineligible for licensure by any means at any future date.
