Series 43  
(1983)

Subject: Bakery Regulations

---

Section 1. General

1.1. Scope - These legislative rules establish the minimum sanitary requirements for bakeries.

1.2. Authority - These legislative rules are issued under the authority and are related to Chapter 16, Article 1, Section 7 of the West Virginia Code of 1931, as amended.

1.3. Filing Date - These legislative rules were filed on the 28th day of November, 1967, in the Secretary of State's office.

1.4. Effective Date - These legislative rules became effective on the 29th day of December, 1967.

1.5. Refiling Date - These legislative rules were refiled pursuant to Chapter 29A, Article 2, Section 5 of the West Virginia Code of 1931, as amended on the 30th day of December, 1982, in the Secretary of State's office.

Section 2. Application and Enforcement

2.1. Application - These legislative rules apply to the owners and operators of bakeries.

2.2. Enforcement - The enforcement of these legislative rules is vested with the director of the West Virginia department of health or his lawful designee.

Section 3. Sanitation Requirements - All employees of bakeries shall wear clean, washable clothing and shall keep their hands and persons scrupulously clean at all times while engaged in handling of food for public consumption. All bakeries shall be located in such places that they can be kept sanitary at all times and so constructed that rodents cannot gain access and screened in such manner as to exclude flies and other insects. All bread before marketing shall be wrapped in clean paper and products such as cakes, doughnuts, etc., shall be kept covered at all times. All storage compartments in the bakery and in delivery trucks shall be so constructed that they can be kept sanitary and so that flies and vermin are excluded.
