Section 3 - CLOSED PACKAGE - Defined.

3.01 The term "Closed Package" shall mean any box, barrel, basket, crate, sack, bag, tube, or any other type container in which all the contents cannot be seen or inspected to determine the grade, quality or condition without the removal of all or part of the contents from such package.

Section 4 - LABELING OR MARKING - of Containers.

4.01 Every "Closed Package" containing fresh fruits or vegetables to be sold, offered for sale, exposed for sale, packed, transported, distributed, or stored for sale by any person, firm, corporation or organization shall bear conspicuously on the top, end or side thereof in plain words and figures the following:
