

Proclamation

by Governor Patrick Morrisey

- Whereas,** the Great State of West Virginia is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings, and infrastructure play, both in everyday life and when disasters strike; and
- Whereas,** our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians – building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers, and others in the construction industry – who work year-round to ensure the safe construction of buildings; and
- Whereas,** these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal, and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, and play; and
- Whereas,** these modern building codes include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods, and earthquakes; and
- Whereas,** *Building Safety Month* is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety – our local code officials – who assure us of safe, sustainable, and affordable buildings that are essential to our prosperity; and
- Whereas,** “Game On!” is the theme for *Building Safety Month 2025* and encourages us all to raise awareness about building safety on a personal, local, and global scale; and
- Whereas,** each year, in observance of *Building Safety Month*, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus, and federal agencies in protecting lives and property.

Now, Therefore, Be it Resolved that I, Patrick Morrisey, Governor of the Great State of West Virginia, do hereby proclaim *May 2025* as:

Building Safety Month

in the Mountain State and encourage all citizens to join me in observance.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of West Virginia to be affixed.

Done at the Capitol, City of Charleston, State of West Virginia, this the First day of May, in the year of our Lord, Two Thousand Twenty-Five, and in the One Hundred Sixty-Second year of the State.

Patrick Morrisey
Governor
