

Proclamation

by Governor Patrick Morrisey

- Whereas,** the health of all West Virginians is a major concern and a responsibility shared by the dedicated healthcare professionals serving our communities; and
- Whereas,** nuclear medicine and molecular imaging are vital specialties utilizing advanced molecular technology to detect, diagnose, and treat complex diseases like cancer and heart disease at a cellular level; and
- Whereas,** qualified nuclear medicine technologists, physicians, and scientists across West Virginia maintain the highest professional standards through continuous education, rigorous credentialing, and a deep commitment to patient care; and
- Whereas,** the first full week in October marks the 40th anniversary of this national observance, celebrated under the 2026 theme "*Radiating Hope*" to highlight the life-saving contributions of nuclear medicine professionals.

Now, Therefore, Be it Resolved that I, Patrick Morrisey, Governor of the Great State of West Virginia, do hereby proclaim *October 4-10, 2026*, as:

Nuclear Medicine and Molecular Imaging Week

in the Mountain State and encourage all citizens to join me in observance.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of West Virginia to be affixed.

Done at the Capitol, City of Charleston, State of West Virginia, this the Eighth Day of October, in the year of our Lord, Two Thousand Twenty-Six, and in the One Hundred Sixty-Fourth Year of the State.

Patrick Morrisey
Governor

By the Governor:

Kris Warner
Secretary of State
