To whom it may concern:

The Washington State Address Confidentiality Program (ACP) provides substitute address and mail forwarding services for victims of domestic violence, sexual assault, trafficking, and/or stalking who reside in the state of Washington. The Secretary of State is the legal agent for receipt of mail and service of process for those who participate in the ACP.

Today when I picked up the mail for the 6,000+ participants using the ACP, I accepted and signed for the enclosed certified documents.

When I returned to the office, our records indicated AD Systems, Inc. is not a participant in the ACP. The ACP has never provided service for anyone by the name of AD Systems, Inc. The ACP is not, and never has been, the legal agent for receipt of mail or service of process for this person.

I am returning to you the certified letter/s addressed to AD Systems, Inc. We apologize for any inconvenience this may cause you. If you have any questions about the Address Confidentiality Program, please contact us at (360) 753-2972.

Sincerely,

ACP Staff
