OFFICIAL LEVY BALLOT
Continuation of Additional School Levy
Berkeley County, West Virginia
May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to

OFFICIAL LEVY BALLOT

each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

	<u>ASSESSED VALUATION</u>
Class I	\$ -
Class II	\$ 5,216,829,552

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. C. 2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

9. The proposed addition rate of levy, in cents per each one hundred dollars in value on each class of property within Berkeley County School District for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, is as follows:

Class I	22.95 cents
Class II	45.90 cents
Class III	91.80 cents
Class IV	91.80 cents

10. The Board of Education of the County of Berkeley will not issue bonds in conjunction with the approval of this levy.

INSTRUCTION TO VOTERS Those favoring continuing the additional levies shall mark the selection before "For the Levies"; those against continuing such levies shall mark the selection before "Against the Levies."

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. C. OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

9. The proposed addition rate of levy, in cents per each one hundred dollars in value on each class of property within Berkeley County School District for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, is as follows:

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

9. The proposed addition rate of levy, in cents per each one hundred dollars in value on each class of property within Berkeley County School District for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, is as follows:

Class I	22.95 cents
Class II	45.90 cents
Class III	91.80 cents
Class IV	91.80 cents

10. The Board of Education of the County of Berkeley will not issue bonds in conjunction with the approval of this levy.

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. C. 2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

9. The proposed addition rate of levy, in cents per each one hundred dollars in value on each class of property within Berkeley County School District for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, is as follows:

Class I	22.95 cents
Class II	45.90 cents
Class III	91.80 cents

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

9. The proposed addition rate of levy, in cents per each one hundred dollars in value on each class of property within Berkeley County School District for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, is as follows:

Class I	22.95 cents
Class II	45.90 cents
Class III	91.80 cents

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

9. The proposed addition rate of levy, in cents per each one hundred dollars in value on each class of property within Berkeley County School District for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, is as follows:

Class I	22.95 cents
Class II	45.90 cents
Class III	91.80 cents

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. C. 2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. 4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.

7. The total amount necessary to carry out the above purposes, after making reasonable allowances for uncollected taxes and shrinkage, is **\$230,000,000**, or the sum of **\$46,000,000** annually.

8. That the separate and aggregate assessed valuation of each class of taxable property within the County of Berkeley, is as follows:

ASSESSED VALUATION	
Class I	\$ -
Class II	\$ 5,216,829,552
Class III	\$ 2,289,648,402
Class IV	\$ 580,013,511
Aggregate	\$ 8,086,491,465

OFFICIAL LEVY BALLOT

OFFICIAL LEVY BALLOT Continuation of Additional School Levy Berkeley County, West Virginia May 14, 2024

Special election to authorize the continuation of additional school levy for the fiscal years beginning July 1, 2025; July 1, 2026; July 1, 2027; July 1, 2028; and July 1, 2029, in the total amount of **\$46,000,000** annually, for the purposes of paying the general current expenses of The Board of Education of the County of Berkeley.

1. That the purpose for which additional funds are needed, and the average annual amounts needed for such purposes, are as follows:
A. To continue the present local salary supplements and benefits, including related fixed costs, of all school personnel (excluding the Superintendent) at an approximate total annual cost of **\$31,612,000**. Such funding will allow the Berkeley County Board of Education to continue to employ and retain highly qualified personnel who have contributed to the county's instructional progress.
B. To continue to provide instructional materials, textbooks, and instructional equipment at an approximate total annual cost of **\$3,500,000**.
C. To continue to provide financial support of the following community organizations and agencies: Berkeley County Health Department at **\$30,000**; Martinsburg- Berkeley County Parks and Recreation Board at **\$132,500**; West Virginia University Berkeley County 4-H Extension Office at **\$93,000**; and the Martinsburg-Berkeley County Public Library at **\$152,500** for an approximate total annual cost of all programs at **\$408,000**.
D. To continue to address increased enrollment in Berkeley County Schools by providing additional staff where necessary and by providing additional equipment and property, and by providing safety and security measures at an approximate annual cost of **\$6,500,000**.
E. To continue to provide for the upkeep and maintenance of existing facilities by providing the necessary supplies, services, or equipment at an approximate annual cost of **\$3,980,000**.

2. The amounts set forth above are the average approximate annual amounts for each purpose. The actual amounts for each purpose will likely vary from one fiscal year to the next, depending on the realized tax collections and the needs of the Berkeley County School District, as determined by the Board with respect to each fiscal year. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

3. The Board of Education of the County of Berkeley is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the amounts needed for any of the above stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of the County of Berkeley.

4. The Board of Education of the County of Berkeley reserves unto itself, as the levying body, the right and authority to reduce the rates of the excess levy, should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

5. In the event the Board of Education of the County of Berkeley shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as said Board of Education of Berkeley may from time to time determine.

6. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year and; provided, further, that if any such reduction for one or more of

OFFICIAL LEVY BALLOT

the above-state purposes is necessary, then the funds allocated for Purpose A set forth in the chart above shall be the last purpose considered by the Board for a reduction in funds in the event of a shortfall.
