If additional State, Federal, private or other special funds become available to provide funding for any of the above-stated purposes, or if surplus funds are generated due to increased assessed valuations, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes for the enrichment, supplementation and advancement of all educational programs in Boone County, and other purposes pertinent to the operation of Boone County Schools, in the discretion of the Board.
