The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Brooke County School District, as determined by the Board with respect to each fiscal year. As noted above, the amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$60,701,805 or the average sum of \$12,140,361 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Brooke County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for (i) the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Brooke County and/or (ii) additional stipends for employees, all as the Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

If a majority of the voters approve the proposed additional levies, the Board will not issue bonds upon the approval of such levies. OFFICIAL LEVY BALLOT

Special Levy Election to Authorize Additional Levies
According to the Order of The Board of Education of the County of
Brooke Adopted and Entered on January 22, 2024

Special election to authorize additional levies (the "Excess Levy") for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$12,140,361, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Brooke (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 22nd day of January, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year as set forth herein, are as follows:

PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED	AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE
1(A). Salary & Benefits for All Unfunded Positions	\$3,381,585
1(B). All Employee Salary Supplements & Associated Additional Benefits	\$2,299,693
1(C). Stipend for All Employees	\$1,378,529
1(D). Unfunded Retirement (not covered by the State Aid Formula)	\$1,243,785
1(E). Vision & Dental Plans for All Employees	\$376,755
1(F). Substitute Costs for Professional & Service Positions and All Extra Duty Assignments	\$1,791,394
2. Health, Safety and Security Enhancements, including, but not limited to, district employed School Resource Officers, additional security (as needed) for each of the schools located in Brooke County, and the purchase and/or rental of uniforms.	\$643,614
3. Providers of Services and Related Costs, including, but not limited to, funds to supplement the state aid formula for the cost of transportation, and funds for the costs of legal and medical advisors and costs of expulsion hearings, grievances and court reporters.	\$321,807
4. Renovations and New Construction, including, but not limited to, updated HVAC systems repairs, roof replacements, stadium renovations, maintenance of grounds and field equipment, paving and athletic facility repairs, other maintenance and/or improvements.	\$703,199
TOTAL:	\$12,140,361

As noted above, the amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$60,701,805 or the average sum of \$12,140,361 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Brooke County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for (i) the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Brooke County and/or (ii) additional stipends for employees, all as the Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

If a majority of the voters approve the proposed additional levies, the Board will not issue bonds upon the approval of such levies. The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property **22.95 cents**; on Class II property **45.90 cents**; on Class III property **91.80 cents**; on Class IV property **91.80 cents**. Special Levy Election to Authorize Additional Levies According to the Order of The Board of Education of the County of Brooke Adopted and Entered on January 22, 2024

Special election to authorize additional levies (the "Excess Levy") for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$12,140,361, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Brooke (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 22nd day of January, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year as set forth herein, are as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE. Rows include items like Salary & Benefits, Health, Safety and Security Enhancements, Providers of Services, and Renovations, totaling \$12,140,361.

As noted above, the amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services.

The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

OFFICIAL LEVY BALLOT

Special Levy Election to Authorize Additional Levies
According to the Order of The Board of Education of the County of
Brooke Adopted and Entered on January 22, 2024

Special election to authorize additional levies (the "Excess Levy") for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$12,140,361, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Brooke (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 22nd day of January, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year as set forth herein, are as follows:

PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED	AVERAGE ANNUAL AMOUNT FOR EACH PURPOSE
1(A). Salary & Benefits for All Unfunded Positions	\$3,381,585
1(B). All Employee Salary Supplements & Associated Additional Benefits	\$2,299,693
1(C). Stipend for All Employees	\$1,378,529
1(D). Unfunded Retirement (not covered by the State Aid Formula)	\$1,243,785
1(E). Vision & Dental Plans for All Employees	\$376,755
1(F). Substitute Costs for Professional & Service Positions and All Extra Duty Assignments	\$1,791,394
2. Health, Safety and Security Enhancements, including, but not limited to, district employed School Resource Officers, additional security (as needed) for each of the schools located in Brooke County, and the purchase and/or rental of uniforms.	\$643,614
3. Providers of Services and Related Costs, including, but not limited to, funds to supplement the state aid formula for the cost of transportation, and funds for the costs of legal and medical advisors and costs of expulsion hearings, grievances and court reporters.	\$321,807
4. Renovations and New Construction, including, but not limited to, updated HVAC systems repairs, roof replacements, stadium renovations, maintenance of grounds and field equipment, paving and athletic facility repairs, other maintenance and/or improvements.	\$703,199
TOTAL:	\$12,140,361

As noted above, the amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$60,701,805 or the average sum of \$12,140,361 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Brooke County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for (i) the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Brooke County and/or (ii) additional stipends for employees, all as the Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

If a majority of the voters approve the proposed additional levies, the Board will not issue bonds upon the approval of such levies. The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property **22.95 cents**; on Class II property **45.90 cents**; on Class III property **91.80 cents**; on Class IV property **91.80 cents**. That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning **July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028**.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year as set forth herein, are as follows:

As noted above, the amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$60,701,805 or the average sum of \$12,140,361 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Brooke County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for (i) the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Brooke County and/or (ii) additional stipends for employees, all as the Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

If a majority of the voters approve the proposed additional levies, the Board will not issue bonds upon the approval of such levies. The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property **22.95 cents**; on Class II property **45.90 cents**; on Class III property **91.80 cents**; on Class IV property **91.80 cents**. If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services.

The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for (i) the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Brooke County and/or (ii) additional stipends for employees, all as the Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

If a majority of the voters approve the proposed additional levies, the Board will not issue bonds upon the approval of such levies. The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents. That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Brooke County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for (i) the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Brooke County and/or (ii) additional stipends for employees, all as the Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for (i) the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Brooke County and/or (ii) additional stipends for employees, all as the Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

If a majority of the voters approve the proposed additional levies, the Board will not issue bonds upon the approval of such levies. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Brooke County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board may, in its discretion, reduce the maximum rates in any given year or years during the term of this Excess Levy after determining the sufficiency of funds for school purposes for the next ensuing tax year.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for (i) the enrichment, supplementation, operation, and improvement of educational services and/or facilities in the public schools of Brooke County and/or (ii) additional stipends for employees, all as the Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided that the total of all such reductions shall not exceed the amount of such collection shortfall each year; provided, further, that if any such reduction for one or more of the above-stated purposes is necessary, the Board shall (i) first, reduce pro rata the funds allocated for Purposes 2, 3 and 4 set forth in the chart above and (ii) second, if further reductions are necessary, reduce pro rata the funds allocated for Purposes 1(A), 1(B), 1(C), 1(D), 1(E) and 1(F) set forth in the chart above.

If a majority of the voters approve the proposed additional levies, the Board will not issue bonds upon the approval of such levies. The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property **22.95 cents**; on Class II property **45.90 cents**; on Class III property **91.80 cents**; on Class IV property **91.80 cents**. That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning **July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028**.
