The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education and Workforce Development, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

OFFICIAL LEVY BALLOT

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education and Workforce Development, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education and Workforce Development, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

OFFICIAL LEVY BALLOT

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education and Workforce Development, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, and (K) Greater Huntington Park and Recreation District. Total: \$30,528,234.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

INSTRUCTION TO VOTERS:

Those favoring the additional levies, mark "FOR THE LEVIES", and those against such additional levies, mark "AGAINST THE LEVIES".

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, and (K) Greater Huntington Park and Recreation District. Total: \$30,528,234.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

OFFICIAL LEVY BALLOT

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

OFFICIAL LEVY BALLOT

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education and Workforce Development, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

OFFICIAL LEVY BALLOT

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

<b>TOTAL</b>	<b>\$30,528,234</b>

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

OFFICIAL LEVY BALLOT

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The Board of Education Of the County of Cabell
Election to Authorize Renewal of Additional Levies
May 14, 2024

Election to authorize additional levies for the fiscal years beginning July 1, 2025, July 1, 2026, July 1, 2027, July 1, 2028 and July 1, 2029, in the total amount of \$30,528,234 annually for the purpose of paying the current expenses of The Board of Education of the County of Cabell (the "Board"), including for the purposes hereinafter set forth, all according to the Amended and Restated Excess Levy Order of the Board adopted and entered on the 4th day of March 2024, and as more particularly described below:

Table with 2 columns: PURPOSE FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Rows include (A) School Safety, (B) Employee Salaries and Benefits, (C) Career & Technical Education, (D) Cybersafety and Device Security, (E) Instructional Support and School Libraries, (F) Summer Programs, (G) School Playgrounds and Outdoor Learning Spaces, (H) Athletics, (I) Facilities Maintenance and Equipment, (J) Cabell County Public Library, (K) Greater Huntington Park and Recreation District, and a TOTAL row.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts may be carried over and spent on such specific purpose or purposes in subsequent fiscal years. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

In the event the Board shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other sources, for the purposes aforesaid, levy monies specified for these purposes may be used for the general operation of the school system. If surplus excess levy funds are generated due to increased assessed valuations or collections, then in either case the Board shall be authorized and empowered to expend at the end of each fiscal year, during the term of the levies, the surplus (if any) in excess of the amount needed for any of the above-stated purposes, and/or for the enrichment, supplementation, operation, improvement and advancement of educational programs, services and facilities operated and owned by the Board, and other purposes pertinent to the operation of Cabell County Schools, in the sole discretion of the Board. Such additional or surplus funds may be used either in substitution for or in addition to the funds obtained from the excess levy. For the avoidance of doubt, neither the Library nor the Park District shall be entitled to receive such surplus funds, unless otherwise authorized by the Board.

In the event that the actual amount collected is less than the approximate annual amounts allocated for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine in its discretion (i) which one or more of the above-stated purposes (including, for the avoidance of doubt, the Library and/or the Park District purposes) shall be reduced for each such fiscal year and (ii) the amount of each such reduction for such fiscal year; provided, however, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levies, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95¢; on Class II property, 45.90¢; on Class III property 91.80¢; on Class IV property, 91.80¢.
