THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Includes items like Free Textbooks, Instructional Support, Physical Education, etc., with amounts ranging from \$5,000 to \$1,000,000. Total: \$22,862,025

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, etc., with corresponding amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

OFFICIAL LEVY BALLOT

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED, ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses like Free Textbooks, Instructional Support, Physical Education, etc., with corresponding amounts.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED and ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

THE BOARD OF EDUCATION OF THE COUNTY OF RALEIGH
To Authorize Continuation of the Additional Levies Now in Effect
May 14, 2024

A special election to authorize the continuation of additional levies for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$22,862,025, annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Raleigh (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 13th day of February, 2024, and as more particularly described as follows:

Table with 2 columns: PURPOSES FOR WHICH ADDITIONAL FUNDS ARE NEEDED, ANNUAL AMOUNT FOR EACH PURPOSE. Lists various educational expenses and their corresponding annual amounts, totaling \$22,862,025.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The Board is hereby authorized and empowered to expend, during the term of this levy, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation and improvement of educational services and/or facilities in the public schools of the County of Raleigh, as the Board may determine from time to time, in its discretion.

The total amount necessary to carry out the above purposes, after making reasonable allowances for exonerations, uncollected taxes and shrinkage, in said five (5) fiscal years is \$114,310,125 or the sum of \$22,862,025, annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Raleigh County School District, as determined by the Board with respect to each fiscal year.

In the event additional funds are obtained by grant or otherwise from the state or federal government, or from any other source, such additional money may be used either in substitution for or in addition to the amount obtained from this levy, as the Board may determine from time to time, in its discretion.

To the extent permitted by law, the Board reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with the applicable provisions of the West Virginia Code.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; and on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

INSTRUCTION TO VOTERS: Those favoring the continuation of the additional levies, mark "FOR THE LEVIES"; and those against the continuation of such additional levies, mark "AGAINST THE LEVIES".
