OFFICIAL LEVY BALLOT

**Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Roane Adopted and Entered on February 8, 2024**

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$1,041,070 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Roane (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 8th day of February, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year, are as follows:

- a. \$30,070 annually to provide safety and security enhancements at Roane County schools;
- b. \$81,000 annually for supplemental funding to provide for safety personnel, including but not limited to Prevention Resource or School Resource Officers, pending availability of personnel;
- c. \$100,000 annually to provide for the Summer Programs at all Roane County schools;
- d. \$25,000 annually to provide for after school enrichment, tutoring and related services at all Roane County schools;

- h. \$200,000 annually for supplemental funding to provide for full-time nurses at all Roane County schools;
- i. \$150,000 annually to provide for the employment and retention of qualified teachers not provided within the State Aid funding formula with the goal to maintain a student-to-staff ratio in K-3rd grade classrooms of no more than 20:1;
- j. \$100,000 annually for supplemental funding to provide for full-time counselors at all Roane County schools;
- k. \$175,000 annually for supplemental funding to provide for Communities in Schools coordinators at all Roane County schools;

- n. \$25,000 to provide assistance to Roane County Public Libraries for student related services.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$5,205,350 or the average sum of \$1,041,070 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and

the needs of the Roane County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Roane County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property **5.39 cents**; on Class II property **10.78 cents**; on Class III property **21.56 cents**; on Class IV property **21.56 cents**.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning **July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.**

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Roane County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Roane County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 5.39 cents; on Class II property 10.78 cents; on Class III property 21.56 cents; on Class IV property 21.56 cents.

- n. \$25,000 to provide assistance to Roane County Public Libraries for student related services.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$5,205,350 or the average sum of \$1,041,070 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and

the needs of the Roane County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Roane County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property **5.39 cents**; on Class II property **10.78 cents**; on Class III property **21.56 cents**; on Class IV property **21.56 cents**.

Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Roane Adopted and Entered on February 8, 2024

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$1,041,070 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Roane (the Board), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 8th day of February, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year, are as follows:

- a. \$30,070 annually to provide safety and security enhancements at Roane County schools;
b. \$81,000 annually for supplemental funding to provide for safety personnel, including but not limited to Prevention Resource or School Resource Officers, pending availability of personnel;
c. \$100,000 annually to provide for the Summer Programs at all Roane County schools;
d. \$25,000 annually to provide for after school enrichment, tutoring and related services at all Roane County schools;
e. \$25,000 annually to provide for Advanced Placement and Dual Credit courses, academic competitions, band, choir and/or theater;
f. \$25,000 annually for Career and Technical Education programs and student organizations, including but not limited to Future Farmers of America and Future Business Leaders of America;
g. \$50,000 annually for athletic programs, including but not limited to cost of equipment, supplies and transportation;
h. \$200,000 annually for supplemental funding to provide for full-time nurses at all Roane County schools;
i. \$150,000 annually to provide for the employment and retention of qualified teachers not provided within the State Aid funding formula with the goal to maintain a student-to-staff ratio in K-3rd grade classrooms of no more than 20:1;
j. \$100,000 annually for supplemental funding to provide for full-time counselors at all Roane County schools;
k. \$175,000 annually for supplemental funding to provide for Communities in Schools coordinators at all Roane County schools;
l. \$30,000 annually to provide for outdoor recreational facility maintenance and improvements;

- m. \$25,000 to provide assistance to the WVU Extension Service for student related services; and
n. \$25,000 to provide assistance to Roane County Public Libraries for student related services.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$5,205,350 or the average sum of \$1,041,070 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and

the needs of the Roane County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Boards sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Roane County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 5.39 cents; on Class II property 10.78 cents; on Class III property 21.56 cents; on Class IV property 21.56 cents.
