**OFFICIAL LEVY BALLOT**

**Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Wyoming Adopted and Entered on February 5, 2024**

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$6,946,365 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Wyoming (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 5th day of February, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year, are as follows:

b. \$100,000 annually to provide free school accident insurance policy for all students and the support of school bands, choral activities, and fine arts programs;

c. \$500,000 annually to provide necessary instructional supplies, materials, computers, and technology equipment to all schools and for providing technical support to maintain, repair, and upgrade computers, software, and other technology;

d. \$555,000 annually to provide for Protection Resource Officers (PRO) at the two high schools, safety and security improvements and maintenance of safety equipment within schools;

e. \$100,000 annually for the

operation, repair, and installation of safety equipment on school buses;

f. \$77,191 annually to provide support of the county public library system and \$50,000 annually for support of the WVU Extension Office and 4-H programs in the county;

g. \$50,000 annually to provide assistance to the Wyoming County Health Department for immunization and health care needs of school age children;

h. \$1,278,789 annually to provide for the employment and retention of qualified teachers not provided within the State Aid funding formula, salaries for athletic coaches, and other professional development needs;

i. \$780,000 annually to provide support of schools through the employment of service personnel not provided within the State Aid funding formula;

j. \$575,000 annually for continuing to provide dental, optical and medical reimbursement coverages for all employees;

k. \$905,385 to provide for the general improvement, repair and/or maintenance of school facilities, including, without limitation, safety equipment, safety improvements, energy and water management, HV AC repair and renovations;

l. \$250,000 annually to provide for the purchase and/or repair of school furniture, equipment, and playground equipment; and

m. \$300,000 annually to provide for instructional support services, cultural, academic, attendance, extracurricular activities, and learning enrichment activities to support student learning opportunities.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased

**OFFICIAL LEVY BALLOT**

assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

**OFFICIAL LEVY BALLOT**

**Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Wyoming Adopted and Entered on February 5, 2024**

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$6,946,365 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Wyoming (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 5th day of February, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year, are as follows:

b. \$100,000 annually to provide free school accident insurance policy for all students and the support of school bands, choral activities, and fine arts programs;

c. \$500,000 annually to provide necessary instructional supplies, materials, computers, and technology equipment to all schools and for providing technical support to maintain, repair, and upgrade computers, software, and other technology;

d. \$555,000 annually to provide for Protection Resource Officers (PRO) at the two high schools, safety and security improvements and maintenance of safety equipment within schools;

e. \$100,000 annually for the

operation, repair, and installation of safety equipment on school buses;

f. \$77,191 annually to provide support of the county public library system and \$50,000 annually for support of the WVU Extension Office and 4-H programs in the county;

g. \$50,000 annually to provide assistance to the Wyoming County Health Department for immunization and health care needs of school age children;

h. \$1,278,789 annually to provide for the employment and retention of qualified teachers not provided within the State Aid funding formula, salaries for athletic coaches, and other professional development needs;

i. \$780,000 annually to provide support of schools through the employment of service personnel not provided within the State Aid funding formula;

j. \$575,000 annually for continuing to provide dental, optical and medical reimbursement coverages for all employees;

k. \$905,385 to provide for the general improvement, repair and/or maintenance of school facilities, including, without limitation, safety equipment, safety improvements, energy and water management, HV AC repair and renovations;

l. \$250,000 annually to provide for the purchase and/or repair of school furniture, equipment, and playground equipment; and

m. \$300,000 annually to provide for instructional support services, cultural, academic, attendance, extracurricular activities, and learning enrichment activities to support student learning opportunities.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased

**OFFICIAL LEVY BALLOT**

assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased

**OFFICIAL LEVY BALLOT**

assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

**OFFICIAL LEVY BALLOT**

**Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Wyoming Adopted and Entered on February 5, 2024**

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$6,946,365 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Wyoming (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 5th day of February, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year, are as follows:

b. \$100,000 annually to provide free school accident insurance policy for all students and the support of school bands, choral activities, and fine arts programs;

c. \$500,000 annually to provide necessary instructional supplies, materials, computers, and technology equipment to all schools and for providing technical support to maintain, repair, and upgrade computers, software, and other technology;

d. \$555,000 annually to provide for Protection Resource Officers (PRO) at the two high schools, safety and security improvements and maintenance of safety equipment within schools;

e. \$100,000 annually for the

**OFFICIAL LEVY BALLOT**

operation, repair, and installation of safety equipment on school buses;

f. \$77,191 annually to provide support of the county public library system and \$50,000 annually for support of the WVU Extension Office and 4-H programs in the county;

g. \$50,000 annually to provide assistance to the Wyoming County Health Department for immunization and health care needs of school age children;

h. \$1,278,789 annually to provide for the employment and retention of qualified teachers not provided within the State Aid funding formula, salaries for athletic coaches, and other professional development needs;

i. \$780,000 annually to provide support of schools through the employment of service personnel not provided within the State Aid funding formula;

j. \$575,000 annually for continuing to provide dental, optical and medical reimbursement coverages for all employees;

k. \$905,385 to provide for the general improvement, repair and/or maintenance of school facilities, including, without limitation, safety equipment, safety improvements, energy and water management, HV AC repair and renovations;

l. \$250,000 annually to provide for the purchase and/or repair of school furniture, equipment, and playground equipment; and

m. \$300,000 annually to provide for instructional support services, cultural, academic, attendance, extracurricular activities, and learning enrichment activities to support student learning opportunities.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased

**OFFICIAL LEVY BALLOT**

assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

**OFFICIAL LEVY BALLOT**

**Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Wyoming Adopted and Entered on February 5, 2024**

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$6,946,365 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Wyoming (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 5th day of February, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year, are as follows:

b. \$100,000 annually to provide free school accident insurance policy for all students and the support of school bands, choral activities, and fine arts programs;

c. \$500,000 annually to provide necessary instructional supplies, materials, computers, and technology equipment to all schools and for providing technical support to maintain, repair, and upgrade computers, software, and other technology;

d. \$555,000 annually to provide for Protection Resource Officers (PRO) at the two high schools, safety and security improvements and maintenance of safety equipment within schools;

e. \$100,000 annually for the

**OFFICIAL LEVY BALLOT**

operation, repair, and installation of safety equipment on school buses;

f. \$77,191 annually to provide support of the county public library system and \$50,000 annually for support of the WVU Extension Office and 4-H programs in the county;

g. \$50,000 annually to provide assistance to the Wyoming County Health Department for immunization and health care needs of school age children;

h. \$1,278,789 annually to provide for the employment and retention of qualified teachers not provided within the State Aid funding formula, salaries for athletic coaches, and other professional development needs;

i. \$780,000 annually to provide support of schools through the employment of service personnel not provided within the State Aid funding formula;

j. \$575,000 annually for continuing to provide dental, optical and medical reimbursement coverages for all employees;

k. \$905,385 to provide for the general improvement, repair and/or maintenance of school facilities, including, without limitation, safety equipment, safety improvements, energy and water management, HV AC repair and renovations;

l. \$250,000 annually to provide for the purchase and/or repair of school furniture, equipment, and playground equipment; and

m. \$300,000 annually to provide for instructional support services, cultural, academic, attendance, extracurricular activities, and learning enrichment activities to support student learning opportunities.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased

**OFFICIAL LEVY BALLOT**

assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased

**OFFICIAL LEVY BALLOT**

assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

**Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Wyoming Adopted and Entered on February 5, 2024**

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$6,946,365 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Wyoming (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 5th day of February, 2024, and as more particularly described below.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

**OFFICIAL LEVY BALLOT**

**Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Wyoming Adopted and Entered on February 5, 2024**

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$6,946,365 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Wyoming (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 5th day of February, 2024, and as more particularly described below.

The purposes for which additional funds are needed during the term of this five year levy, and the approximate average annual amount for such purposes after due allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, subject to variation from year to year, are as follows:

operation, repair, and installation of safety equipment on school buses;

f. \$77,191 annually to provide support of the county public library system and \$50,000 annually for support of the WVU Extension Office and 4-H programs in the county;

g. \$50,000 annually to provide assistance to the Wyoming County Health Department for immunization and health care needs of school age children;

h. \$1,278,789 annually to provide for the employment and retention of qualified teachers not provided within the State Aid funding formula, salaries for athletic coaches, and other professional development needs;

i. \$780,000 annually to provide support of schools through the employment of service personnel not provided within the State Aid funding formula;

j. \$575,000 annually for continuing to provide dental, optical and medical reimbursement coverages for all employees;

k. \$905,385 to provide for the general improvement, repair and/or maintenance of school facilities, including, without limitation, safety equipment, safety improvements, energy and water management, HV AC repair and renovations;

l. \$250,000 annually to provide for the purchase and/or repair of school furniture, equipment, and playground equipment; and

m. \$300,000 annually to provide for instructional support services, cultural, academic, attendance, extracurricular activities, and learning enrichment activities to support student learning opportunities.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased

**OFFICIAL LEVY BALLOT**

assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

**Special Levy Election to Authorize the Additional Levies According to the Order of The Board of Education of the County of Wyoming Adopted and Entered on February 5, 2024**

Special election to authorize additional levies (the Excess Levy) for the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028, in the approximate average amount of \$6,946,365 annually, for the purpose of the payment of the general current expenses of The Board of Education of the County of Wyoming (the "Board"), including for the purposes hereinafter set forth; all according to the Order of the Board entered on the 5th day of February, 2024, and as more particularly described below.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

activities to support student learning opportunities.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

activities to support student learning opportunities.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.

activities to support student learning opportunities.

The amounts set forth above are the anticipated average annual amounts for each purpose. The actual amounts for each purpose likely will vary from one fiscal year to the next. If any item in the above-stated purposes is declared unconstitutional or invalid due to judicial or legislative action, then any affected funds will be distributed among the remaining constitutional and valid itemized purposes.

The total amount necessary to carry out the above purposes over five fiscal years, after making reasonable allowances for discounts, delinquencies, exonerations, uncollected taxes and shrinkage, is \$34,731,825 or the average sum of \$6,946,365 annually. The actual amounts budgeted, as well as the amounts spent, for each purpose and in aggregate, likely will vary from one fiscal year to the next depending on the realized tax collections and the needs of the Wyoming County School District, as determined by the Board with respect to each fiscal year. If the amounts budgeted by the Board for a specific purpose or purposes for a fiscal year are not able to be spent entirely in such fiscal year, then the unspent amounts shall be carried over and, in the Board's sole discretion, spent on such specific purpose or purposes in subsequent fiscal years.

If additional State, Federal, private or other special funds are made available to the Board for any of the above-stated purposes, the amounts herein set forth may be used, solely or on a matching basis, to secure said additional funds or provide additional services. Additional funds received by grant, donation or otherwise from the state or federal government, or from any agency of either, or from any other public or private source, for the above-stated purposes, may be used either in substitution for or in addition to the funds obtained from this Excess Levy.

The Board reserves unto itself as the levying body the right and authority, in its discretion, to reduce the rates of the excess levy, should increased assessments produce funds in excess of projected needs in any year specified in the levy call in accordance with section six-g, article eight, chapter eleven, of the West Virginia Code.

The Board is hereby authorized and empowered to expend, during the term of this Excess Levy and one additional year, the surplus, if any, accruing in excess of the above amounts needed for any of the above-stated purposes, plus excess collections due to increased assessed valuations for the enrichment, supplementation, operation, and improvement of educational services, schools and/or facilities in the public schools of Wyoming County, as Board may determine from time to time, in its discretion.

In the event that the actual amount collected is less than the amounts noted for the above-stated purposes for any one or more fiscal years, the Board is hereby authorized and empowered to determine, in its discretion, which one or more of the above-stated purposes shall be reduced for each such fiscal year, and the amount of each such reduction for such fiscal year; provided, that the total of all such reductions shall not exceed the amount of such collection shortfall each year.

The additional levy, in cents per \$100 of assessed value on each class of property, shall be on Class I property 22.95 cents; on Class II property 45.90 cents; on Class III property 91.80 cents; on Class IV property 91.80 cents.

That the proposed years to which the additional rate of levies shall apply are the fiscal years beginning July 1, 2024, July 1, 2025, July 1, 2026, July 1, 2027, and July 1, 2028.
