All financial agents, treasurers for candidates' committees, political party committees, and political action committees. All persons who spend personal funds independently and without a candidate or committee's knowledge, to advocate or oppose the nomination, election or defeat of any candidate, or the passage or defeat of any issue to be voted on. All advertising agencies, consultants or other persons who receive lump sums from candidates or committees and then disburse those funds to others for political purposes.

All money and all in-kind (non-cash) contributions received by the campaign or committee. All money and all things of value received as a loan to the campaign or committee, along with a copy of the loan agreement. All money spent by the campaign or committee for permitted activities. All required forms reporting employment of temporary election workers or campaign staff.

File with the **secretary of state** if you are a candidate (or a committee, person or agent supporting candidates) for offices on the ballot in more than one county, legislative office, or you are supporting or opposing an issue on the ballot in more than one county. File with the **county clerk** if you are a candidate (or a committee, person or agent supporting candidates) for county offices, non-legislative offices entirely within a county, or you are supporting or opposing an issue on the ballot in only one county. File with the **municipal recorder** if you are a candidate (or a committee, person or agent supporting candidates) running for city office or you are supporting or opposing an issue on the ballot only in the city.

Candidates, their agents or committees must file all reports in the election year in which they are on the ballot, and annual reports until they repay all loans or disburse excess funds and file a final report. **Candidates who lose the primary election must file financial reports for the general election if they have outstanding loans or bills, or have money left in their campaign.** Political action committees and party executive committees must file all reports from the date they begin activity until they formally dissolve the committee by filing a final report and a Statement of Dissolution (Form F-6). Consultants, advertising agents and persons who disburse money for candidates or committees, and persons making independent expenditures must file for any period in which they have received or spent money.

To end your filing responsibilities after your campaign, you must have completed each of these steps:
 1. Repay all loans or disburse any excess funds (see rules), bringing your campaign to a zero balance.
 2. File a final report listing any contributions or expenditures since your last report, including the repayment of any loans or the disbursal of an ending balance.
 3. For political action committees, file Form F-6, the Statement of Dissolution of a Committee.
