LOANS

West Virginia Code: §3-8-5f **Loans to candidates, organizations or persons for election purposes**

"Every candidate, financial agent, person or association of persons or organization advocating or opposing the nomination or election of any candidate or the passage or defeat of any issue or item to be voted upon may not receive any money or any other thing of value toward election expenses except from the candidate, his or her spouse or a lending institution. All loans shall be evidenced by a written agreement executed by the lender, whether the candidate, his or her spouse, or the lending institution. Such agreement shall state the date and amount of the loan, the terms, including interest and repayment schedule, and a description of the collateral, if any, and the full names and addresses of all parties to the agreement. A copy of the agreement shall be filed with the financial statement next required after the loan is executed."

The loan agreement **must** include all items asked for in the statute (See above). The loan agreement does not have to follow a certain format; generally, if all the required information is listed, any format is acceptable.

Candidates or political committees that take out a loan for the campaign through a bank or other commercial lending institution must include a copy of the loan agreement executed with that bank or institution. Candidates should not take out loans which are partially for personal use and partially for the campaign. It is almost impossible to keep reporting straight in this case.

Any money a candidate contributes to his or her campaign committee with the hope of repayment must be treated as a loan and reported in this section. When a candidate determines that no further repayment can be expected, the loan can be reported as repaid in this section by entering the amount left to repay in the repayments column and reporting the same amount as a contribution from the candidate in Schedule 1A. **These loans must be executed in writing. Caution: Candidates may not carry outstanding loans from one campaign to the next. Each campaign is separate. Funds from a current campaign cannot be used to repay a loan from a previous campaign.**

How to report loans

- 1 Each loan for your campaign should be listed on a separate line. (Each time you loan money to the campaign or get a loan, it is considered to be a separate loan.) Include the following information on the form below:
 - a loan(s) from prior reporting periods and the balance of each loan (Col A). If a payment was made on the loan, list that in Col C. **Any loan that was repaid in previous reporting periods does not have to be listed.**
 - b new loans, the amount (Col B), any repayments (Col C), and the balance (Col D).
- 2 Add the amounts of all new loans (Col B total) and carry that number to the Report Summary, Page 1, Col A, line 5.
- 3 Add the amounts of all repayments (Col C total) and carry the total to the Report Summary, Page 1, Col A, line 9.
- 4 Add amounts of outstanding loans (Col D total) and carry the total to the Report Summary, Page 1, Col A, line 16.
- 5 **Attach a copy of the loan agreement for each loan received during the reporting period.**
